

## Rabbit CEP76 Polyclonal Antibody | anti-CEP76 antibody

Rabbit anti-CEP76 Antibody

| CATALOG # | HOST   | REACTIVITY                           | APPLICATIONS                       |
|-----------|--------|--------------------------------------|------------------------------------|
| AAA223573 | Rabbit | Human, Mouse, Rat, Monkey, Zebrafish | Immunohistochemistry, Western Blot |

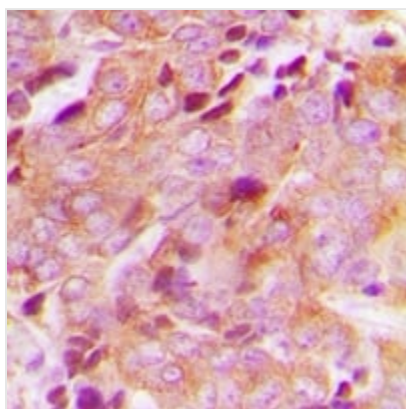

### PRODUCT SYNONYMS

CEP76; Polyclonal Antibody; Rabbit anti-CEP76 Antibody; C18orf9; Centrosomal protein of 76 kDa; Cep76; anti-CEP76 antibody

### PRODUCT SPECIFICATIONS

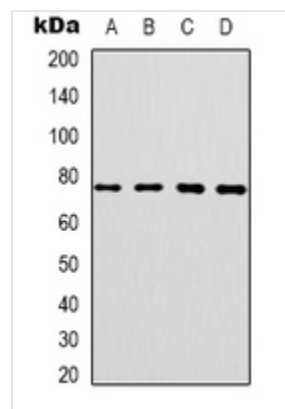

|                                                 |                                                                                                                                      |
|-------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Host                                            | Rabbit                                                                                                                               |
| Reactivity                                      | Human, Mouse, Rat, Monkey, Zebrafish                                                                                                 |
| Clonality                                       | Polyclonal                                                                                                                           |
| Purity/Purification                             | The antibody was purified by immunogen affinity chromatography.                                                                      |
| Form/Format                                     | Liquid in 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.                            |
| Concentration                                   | 1mg/mL (varies by lot)                                                                                                               |
| Applicable Applications for anti-CEP76 antibody | IHC (Immunohistochemistry), WB (Western Blot)                                                                                        |
| Immunogen                                       | KLH-conjugated synthetic peptide encompassing a sequence within the center region of human CEP76. The exact sequence is proprietary. |
| Preparation and Storage                         | Store at -20 degree C. Avoid repeated freeze/thaw cycles.                                                                            |

### IMAGES

#### IHC (Immunohistochemistry)

Immunohistochemical analysis of CEP76 staining in human breast cancer formalin fixed paraffin embedded tissue section. The section was pre-treated using heat mediated antigen retrieval with sodium citrate buffer (pH 6.0). The section was then incubated with the antibody at room temperature and detected using an HRP conjugated compact polymer system. DAB was used as the chromogen. The section was then counterstained with haematoxylin and mounted with DPX.

#### WB (Western Blot)

Western blot analysis of CEP76 expression in SKOV3 (A), HT29 (B), HepG2 (C), NIH3T3 (D) whole cell lysates.
