

## CCV Monoclonal Antibody | anti-CCV antibody

Anti-CCV Antibody

CATALOG #  
**AAA225036**

### PRODUCT SYNONYMS

CCV; Monoclonal Antibody; Anti-CCV Antibody; Anti-Canine Corona Virus Antibody; anti-CCV antibody

### PRODUCT SPECIFICATIONS

|                         |                                                  |
|-------------------------|--------------------------------------------------|
| Clonality               | Monoclonal                                       |
| Clone Number            | M87073                                           |
| Form/Format             | Liquid in PBS, pH7.4, with 0.1% NaN <sub>3</sub> |
| Concentration           | 3.86mg/mL (varies by lot)                        |
| Cross-Reactivity        | Reacts with Canine heartworm                     |
| Preparation and Storage | Store at 4°C.                                    |

### ADDITIONAL INFORMATION

|                                                 |                    |
|-------------------------------------------------|--------------------|
| Product Categories/Family for anti-CCV antibody | Infectious Disease |
|-------------------------------------------------|--------------------|

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
