

## Mouse FeLV Monoclonal Antibody | anti-FeLV antibody

Anti-FeLV Antibody

CATALOG #  
**AAA225038**

HOST  
**Mouse**

### PRODUCT SYNONYMS

FeLV; Monoclonal Antibody; Anti-FeLV Antibody; Anti-Feline Leukemia Virus antibody; anti-FeLV antibody

### PRODUCT SPECIFICATIONS

|                         |                                                                                    |
|-------------------------|------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                              |
| Clonality               | Monoclonal                                                                         |
| Isotype                 | IgG1                                                                               |
| Clone Number            | M87086                                                                             |
| Form/Format             | Supplied as liquid, Phosphate Buffered Saline (PBS), pH 7.4, 0.1% NaN <sub>3</sub> |
| Concentration           | 4.45mg/mL (varies by lot)                                                          |
| Preparation and Storage | Store at 4°C.                                                                      |

### ADDITIONAL INFORMATION

|                                                  |                    |
|--------------------------------------------------|--------------------|
| Product Categories/Family for anti-FeLV antibody | Infectious Disease |
|--------------------------------------------------|--------------------|

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
