

## Rabbit BZW2 Polyclonal Antibody | anti-BZW2 antibody

BZW2 Antibody

|                               |                       |                                                                              |
|-------------------------------|-----------------------|------------------------------------------------------------------------------|
| CATALOG #<br><b>AAA225350</b> | HOST<br><b>Rabbit</b> | APPLICATIONS<br><b>Western Blot, Immunocytochemistry, Immunofluorescence</b> |
|-------------------------------|-----------------------|------------------------------------------------------------------------------|

### PRODUCT SYNONYMS

BZW2; Polyclonal Antibody; BZW2 Antibody; Affinity Purified Rabbit Polyclonal BZW2 Antibody; Polyclonal BZW2 antibody; Anti-BZW2 antibody; MSTP017 antibody; BZW-2; MST017 antibody; BZW 2 antibody; basic leucine zipper and W2 domain-containing protein 2 antibody; BZW2 antibody; BZW 2; basic leucine zipper and W2 domains 2 antibody; BZW-2 antibody; anti-BZW2 antibody

### PRODUCT SPECIFICATIONS

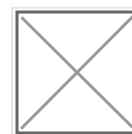

|                                                |                                                                                                                                                           |
|------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                                           | Rabbit                                                                                                                                                    |
| Clonality                                      | Polyclonal                                                                                                                                                |
| Isotype                                        | IgG                                                                                                                                                       |
| Purity/Purification                            | Antigen-Affinity Chromatography                                                                                                                           |
| Form/Format                                    | Supplied as a concentrated solution containing 0.1M Tris, 0.1M Glycine, 10% Glycerol (pH 7.0). 0.01% Thimerosal was added as a preservative.              |
| Concentration                                  | 0.57 mg/ml (varies by lot)                                                                                                                                |
| Applicable Applications for anti-BZW2 antibody | WB (Western Blot), ICC (Immunocytochemistry), IF (Immunofluorescence)                                                                                     |
| Immunogen                                      | BZW2 antibody was raised in rabbit using a recombinant protein fragment contain a sequence corresponding to a region within amino acids 1 and 198 of BZW2 |
| Cross-Reactivity                               | Human                                                                                                                                                     |
| Preparation and Storage                        | Store at 4 degree C for short term storage. Aliquot and store at -20 degree C for long term storage. Avoid repeated freeze/thaw cycles.                   |

### IMAGES

#### WB (Western Blot)

Western blot analysis of 30 ug whole cell lysate (A:A431; B:HeLa S3; C:MOLT4) using a 10% SDS PAGE gel and BZW2 antibody at a dilution of 1:1000

#### IF (Immunofluorescence)

Immunofluorescence analysis of paraformaldehyde-fixed HeLa, using BZW2 antibody at 1:200 dilution.

### ADDITIONAL INFORMATION

|                                                    |                                              |
