

## Rabbit RAB3C Polyclonal Antibody | anti-RAB3C antibody

RAB3C Antibody

|                               |                       |                                                           |
|-------------------------------|-----------------------|-----------------------------------------------------------|
| CATALOG #<br><b>AAA225420</b> | HOST<br><b>Rabbit</b> | APPLICATIONS<br><b>Western Blot, Immunohistochemistry</b> |
|-------------------------------|-----------------------|-----------------------------------------------------------|

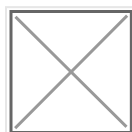

### PRODUCT SYNONYMS

RAB3C; Polyclonal Antibody; RAB3C Antibody; Affinity Purified Rabbit Polyclonal RAB3C Antibody; Polyclonal RAB3C antibody; Anti-RAB3C antibody; RABC-3; ras-related protein Rab-3C antibody; RABC 3 antibody; RABC-3 antibody; RAB3C member RAS oncogene family antibody; RABC 3; RAB3C antibody; anti-RAB3C antibody

### PRODUCT SPECIFICATIONS

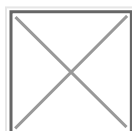

|                                                 |                                                                                                                                              |
|-------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------|
| Host                                            | Rabbit                                                                                                                                       |
| Clonality                                       | Polyclonal                                                                                                                                   |
| Isotype                                         | IgG                                                                                                                                          |
| Purity/Purification                             | Antigen-Affinity Chromatography                                                                                                              |
| Form/Format                                     | Supplied as a concentrated solution containing 0.1M Tris, 0.1M Glycine, 10% Glycerol (pH 7.0). 0.01% Thimerosal was added as a preservative. |
| Concentration                                   | 0.94 mg/ml (varies by lot)                                                                                                                   |
| Sequence Length                                 | 227                                                                                                                                          |
| Applicable Applications for anti-RAB3C antibody | WB (Western Blot), IHC (Immunohistochemistry)                                                                                                |
| Cross-Reactivity                                | Human, Mouse                                                                                                                                 |
| Preparation and Storage                         | Store at 4 degree C for short term storage. Aliquot and store at -20 degree C for long term storage. Avoid repeated freeze/thaw cycles.      |

### IMAGES

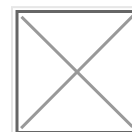

#### IHC (Immunohistochemistry)

Immunohistochemical staining of paraffin-embedded DLD1 xenograft using RAB3C antibody at a dilution of 1:500

#### WB (Western Blot)

Western blot analysis of 50 ug of whole cell lysate (A: mouse brain) using a 12% SDS PAGE gel and RAB3C antibody at a dilution of 1:5000

#### WB (Western Blot)

Western blot analysis of 30 ug of whole cell lysate (A: H1299) using a 12% SDS PAGE gel and RAB3C antibody at a dilution of 1:1000

ADDITIONAL INFORMATION

|                                                     |                                                                                                                                     |
