### PRODUCT SYNONYMS

RAB5A; Polyclonal Antibody; RAB5A Antibody; Affinity Purified Rabbit Polyclonal RAB5A Antibody; Polyclonal RAB5A antibody; Anti-RAB5A antibody; RAB5 antibody; RABA-5 antibody; Rab5A Member Ras Oncogene Family antibody; RABA-5; RABA 5; RABA 5 antibody; anti-RAB5A antibody

### PRODUCT SPECIFICATIONS

|                                                 |                                                                                                                                                                                                    |
|-------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                                            | Rabbit                                                                                                                                                                                             |
| Clonality                                       | Polyclonal                                                                                                                                                                                         |
| Isotype                                         | IgG                                                                                                                                                                                                |
| Purity/Purification                             | Affinity Chromatography                                                                                                                                                                            |
| Form/Format                                     | Lyophilized Form                                                                                                                                                                                   |
| Sequence Length                                 | 215                                                                                                                                                                                                |
| Applicable Applications for anti-RAB5A antibody | IHC (Immunohistochemistry), WB (Western Blot)                                                                                                                                                      |
| Immunogen                                       | RAB5A antibody was raised in Rabbit using a synthetic peptide corresponding to a sequence in the middle region of human RAB5A, identical to the related rat and Rabbit sequences, as the immunogen |
| Preparation and Storage                         | Store at 4 degree C for short term storage. For long term storage aliquot and store at -20 degree C. Avoid repeated freeze/thaw cycles.                                                            |
