

## Compound TCFN91628 Biochemical | TCFN91628 biochemical

Compound TCFN91628

CATALOG #  
AAA227006

### PRODUCT SYNONYMS

Compound TCFN91628; TCFN91628 biochemical

### PRODUCT SPECIFICATIONS

|                         |                                                                          |
|-------------------------|--------------------------------------------------------------------------|
| Purity/Purification     | 98%                                                                      |
| CAS                     | 724434-08-6                                                              |
| Solubility              | <1mg/ml refers to the product slightly soluble or insoluble              |
| Preparation and Storage | Powder: -20 degree C for 3 years<br>In solvent: -80 degree C for 2 years |

### IMAGES

Structure  
m-PEG5-Propyne, CAS 1101668-41-0

Structure  
m-PEG5-Propyne, CAS 1101668-41-0

### ADDITIONAL INFORMATION

|            |                                                                                                                                |
