

# CDK7-IN-2 hydrochloride hydrate Biochemical | CDK7-IN-2 biochemical

CDK7-IN-2 hydrochloride hydrate

CATALOG #  
**AAA228324**

## PRODUCT SYNONYMS

CDK7-IN-2 hydrochloride hydrate; CDK7-IN-2 biochemical

## PRODUCT SPECIFICATIONS

|                         |                                                                          |
|-------------------------|--------------------------------------------------------------------------|
| Purity/Purification     | 98%                                                                      |
| CAS                     | 2326428-24-2                                                             |
| Solubility              | <1mg/ml refers to the product slightly soluble or insoluble              |
| Preparation and Storage | Powder: -20 degree C for 3 years<br>In solvent: -80 degree C for 2 years |
