

## Rabbit anti-Human ARL15 Polyclonal Antibody | anti-ARL15 antibody

ARL15 Antibody

|                               |                       |                            |                                                    |
|-------------------------------|-----------------------|----------------------------|----------------------------------------------------|
| CATALOG #<br><b>AAA229182</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human</b> | APPLICATIONS<br><b>Immunohistochemistry, ELISA</b> |
|-------------------------------|-----------------------|----------------------------|----------------------------------------------------|

### PRODUCT SYNONYMS

ARL15; Polyclonal Antibody; ARL15 Antibody; ADP-ribosylation factor-like protein 15; ADP-ribosylation factor-related protein 2; ARF-related protein 2; ARFRP2; anti-ARL15 antibody

### PRODUCT SPECIFICATIONS

|                                                 |                                                                                            |
|-------------------------------------------------|--------------------------------------------------------------------------------------------|
| Host                                            | Rabbit                                                                                     |
| Reactivity                                      | Human                                                                                      |
| Clonality                                       | Polyclonal                                                                                 |
| Isotype                                         | IgG                                                                                        |
| Purity/Purification                             | >95%,Protein G purified                                                                    |
| Form/Format                                     | Liquid<br>Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4 |
| Sequence Length                                 | 204                                                                                        |
| Applicable Applications for anti-ARL15 antibody | IHC (Immunohistochemistry), ELISA                                                          |
| Immunogen                                       | Recombinant human ADP-ribosylation factor-like protein 15 protein (1-204AA)                |
| Immunogen Species                               | Homo sapiens (Human)                                                                       |
| Conjugation                                     | Non-conjugated                                                                             |
| Research Area                                   | Signal Transduction                                                                        |
| Target Names                                    | ARL15                                                                                      |
| Preparation and Storage                         | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                              |

#### IHC (Immunohistochemistry)

Immunohistochemistry of paraffin-embedded human small intestine tissue using AAA229182 at dilution of 1:100

### NCBI AND UNIPROT INFORMATION

|             |         |
|-------------|---------|
| NCBI GI #   | 9506653 |
| NCBI GeneID | 54622   |

|                                  |                                         |
|----------------------------------|-----------------------------------------|
| NCBI Accession #                 | <a href="#">NP_061960.1</a>             |
| NCBI GenBank Nucleotide #        | <a href="#">NM_019087.2</a>             |
| UniProt Accession #              | <a href="#">Q9NXU5; Q6IAD0</a>          |
| NCBI Official Full Name          | ADP-ribosylation factor-like protein 15 |
| NCBI Official Synonym Full Names | ADP ribosylation factor like GTPase 15  |
| NCBI Official Symbol             | ARL15                                   |
| NCBI Official Synonym Symbols    | ARFRP2                                  |
| NCBI Protein Information         | ADP-ribosylation factor-like protein 15 |
| UniProt Protein Name             | ADP-ribosylation factor-like protein 15 |
| UniProt Gene Name                | <b>ARL15</b>                            |
| UniProt Synonym Gene Names       | ARFRP2; ARF-related protein 2           |
| UniProt Entry Name               | ARL15_HUMAN                             |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
