### PRODUCT SYNONYMS

C15orf57; Polyclonal Antibody; C15orf57 Antibody; Coiled-coil domain-containing protein 32; CCDC32; anti-C15orf57 antibody

### PRODUCT SPECIFICATIONS

|                                                    |                                                                                  |
|----------------------------------------------------|----------------------------------------------------------------------------------|
| Host                                               | Rabbit                                                                           |
| Reactivity                                         | Human                                                                            |
| Clonality                                          | Polyclonal                                                                       |
| Isotype                                            | IgG                                                                              |
| Purity/Purification                                | >95%,Protein G purified                                                          |
| Form/Format                                        | Liquid                                                                           |
| Sequence Length                                    | 194                                                                              |
| Applicable Applications for anti-C15orf57 antibody | WB (Western Blot), ELISA                                                         |
| Immunogen                                          | Recombinant Human Coiled-coil domain-containing protein 32 protein (1-185AA)     |
| Conjugation                                        | Non-conjugated                                                                   |
| Storage Buffer                                     | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4 |
| Species                                            | Human                                                                            |
| Research Area                                      | Cell Biology                                                                     |
| Preparation and Storage                            | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                    |
