

## Rabbit anti-Human FAM167A Polyclonal Antibody | anti-FAM167A antibody

FAM167A Antibody

|                               |                       |                            |                                                    |
|-------------------------------|-----------------------|----------------------------|----------------------------------------------------|
| CATALOG #<br><b>AAA230090</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human</b> | APPLICATIONS<br><b>Immunohistochemistry, ELISA</b> |
|-------------------------------|-----------------------|----------------------------|----------------------------------------------------|

### PRODUCT SYNONYMS

FAM167A; Polyclonal Antibody; FAM167A Antibody; Protein FAM167A; C8orf13; anti-FAM167A antibody

### PRODUCT SPECIFICATIONS

|                                                   |                                                                                          |
|---------------------------------------------------|------------------------------------------------------------------------------------------|
| Host                                              | Rabbit                                                                                   |
| Reactivity                                        | Human                                                                                    |
| Clonality                                         | Polyclonal                                                                               |
| Isotype                                           | IgG                                                                                      |
| Purity/Purification                               | >95%,Protein G purified                                                                  |
| Form/Format                                       | Liquid                                                                                   |
| Sequence Length                                   | 214                                                                                      |
| Applicable Applications for anti-FAM167A antibody | IHC (Immunohistochemistry), ELISA                                                        |
| Immunogen                                         | Recombinant human Protein FAM167A protein                                                |
| Conjugation                                       | Non-conjugated                                                                           |
| Storage Buffer                                    | Preservative: 0.03% Proclin 300 Constituents: 50% Glycerol, 0.01M PBS, PH 7.4            |
| Santa Cruz Alternative                            | Potential replacement for Santa Cruz Biotechnology antibody catalog# sc-86992 / sc-86991 |
| Preparation and Storage                           | Shipped at 4 degree C. Upon delivery, aliquot and store at -20 degree C or -80 degree C. |
