

## Rabbit anti-Human RAB9A Polyclonal Antibody | anti-RAB9A antibody

RAB9A Antibody

|                               |                       |                            |                                                                  |
|-------------------------------|-----------------------|----------------------------|------------------------------------------------------------------|
| CATALOG #<br><b>AAA232225</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human</b> | APPLICATIONS<br><b>Immunohistochemistry, Western Blot, ELISA</b> |
|-------------------------------|-----------------------|----------------------------|------------------------------------------------------------------|

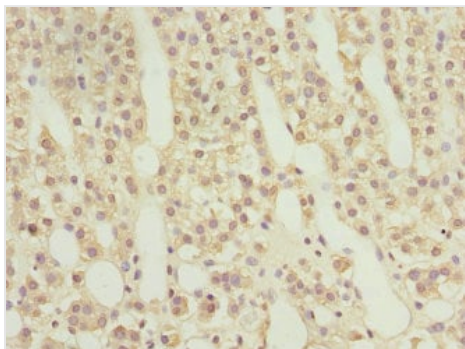

### PRODUCT SYNONYMS

RAB9A; Polyclonal Antibody; RAB9A Antibody; Ras-related protein Rab-9A; RAB9; anti-RAB9A antibody

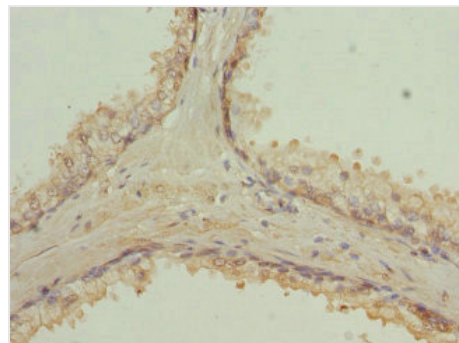

### PRODUCT SPECIFICATIONS

|                                                 |                                                                                                                |
|-------------------------------------------------|----------------------------------------------------------------------------------------------------------------|
| Host                                            | Rabbit                                                                                                         |
| Reactivity                                      | Human                                                                                                          |
| Clonality                                       | Polyclonal                                                                                                     |
| Isotype                                         | IgG                                                                                                            |
| Purity/Purification                             | Antigen Affinity Purified                                                                                      |
| Form/Format                                     | Liquid                                                                                                         |
| Sequence Length                                 | 201                                                                                                            |
| Applicable Applications for anti-RAB9A antibody | IHC (Immunohistochemistry), WB (Western Blot), ELISA                                                           |
| Species                                         | Human                                                                                                          |
| Immunogen                                       | Recombinant human Ras-related protein Rab-9A protein (C-80AA)                                                  |
| Conjugate                                       | Non-conjugated                                                                                                 |
| Buffer                                          | PBS with 0.02% sodium azide, 50% glycerol, pH7.3.                                                              |
| Santa Cruz Alternative                          | Potential replacement for Santa Cruz Biotechnology antibody catalog# sc-28573                                  |
| Preparation and Storage                         | Shipped at 4 degree C. Upon delivery aliquot and store at -20 degree C or -80 degree C. Avoid repeated freeze. |

**IHC (Immunohiostchemistry)**

Immunohistochemistry of paraffin-embedded human prostate cancer using AAA232225 at dilution 1:100

#### WB (Western Blot)

Western blotAll lanes: RAB9Antibody at 7.66ug/mlLane 1 : Jurkat whole cell lysateLane 2 : K562 whole cell lysateLane 3 : HepG-2 whole cell lysateLane 4 : 293T whole cell lysateLane 5 : Hela whole cell lysateSecondaryGoat polyclonal to Rabbit IgG at 1/10000 dilutionPredicted band size: 23 kDaObserved band size: 23 kDa

### ADDITIONAL INFORMATION

#### Related Product Information for anti-RAB9A antibody

Involved in the transport of proteins between the endosomes and the trans Golgi network.
