

## Rabbit anti-Human IL13RA2 Polyclonal Antibody | anti-IL13RA2 antibody

IL13RA2 Antibody

| CATALOG # | HOST   | REACTIVITY | APPLICATIONS                |
|-----------|--------|------------|-----------------------------|
| AAA237118 | Rabbit | Human      | Immunohistochemistry, ELISA |

### PRODUCT SYNONYMS

IL13RA2; Polyclonal Antibody; IL13RA2 Antibody; Interleukin 13 receptor; alpha 2; anti-IL13RA2 antibody

### PRODUCT SPECIFICATIONS

|                                                   |                                                                                         |
|---------------------------------------------------|-----------------------------------------------------------------------------------------|
| Host                                              | Rabbit                                                                                  |
| Reactivity                                        | Human                                                                                   |
| Clonality                                         | Polyclonal                                                                              |
| Isotype                                           | IgG                                                                                     |
| Purity/Purification                               | Antigen Affinity Purification                                                           |
| Form/Format                                       | Liquid; In Phosphate Buffered Saline, pH 7.4, 0.05% NaN <sub>3</sub> , and 40% Glycerol |
| Applicable Applications for anti-IL13RA2 antibody | IHC (Immunohistochemistry), ELISA                                                       |
| Immunogen                                         | Fusion protein of human IL13RA2                                                         |
| Immunogen Species                                 | Human                                                                                   |
| Conjugate                                         | Non-conjugated                                                                          |
| Preparation and Storage                           | Upon receipt, store at -20 degree C or -80 degree C. Avoid repeated freeze.             |

### IMAGES

#### IHC (Immunohistochemistry)

The image on the left is immunohistochemistry of paraffin-embedded Human liver cancer tissue using AAA237118(IL13RA2 Antibody) at dilution 1/25, on the right is treated with fusion protein. (Original magnification: ×200)

#### IHC (Immunohistochemistry)

The image on the left is immunohistochemistry of paraffin-embedded Human lymphoma tissue using AAA237118(IL13RA2 Antibody) at dilution 1/25, on the right is treated with fusion protein. (Original magnification: ×200)
