

## Rabbit anti-Human, Mouse TRAF3IP3 Polyclonal Antibody | anti-TRAF3IP3 antibody

TRAF3IP3 Antibody

|                               |                       |                                   |                                                    |
|-------------------------------|-----------------------|-----------------------------------|----------------------------------------------------|
| CATALOG #<br><b>AAA237914</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human, Mouse</b> | APPLICATIONS<br><b>Immunohistochemistry, ELISA</b> |
|-------------------------------|-----------------------|-----------------------------------|----------------------------------------------------|

### PRODUCT SYNONYMS

TRAF3IP3; Polyclonal Antibody; TRAF3IP3 Antibody; TRAF3 interacting protein 3; anti-TRAF3IP3 antibody

### PRODUCT SPECIFICATIONS

|                                                    |                                                                                         |
|----------------------------------------------------|-----------------------------------------------------------------------------------------|
| Host                                               | Rabbit                                                                                  |
| Reactivity                                         | Human, Mouse                                                                            |
| Clonality                                          | Polyclonal                                                                              |
| Isotype                                            | IgG                                                                                     |
| Purity/Purification                                | Antigen Affinity Purification                                                           |
| Form/Format                                        | Liquid; In Phosphate Buffered Saline, pH 7.4, 0.05% NaN <sub>3</sub> , and 40% Glycerol |
| Applicable Applications for anti-TRAF3IP3 antibody | IHC (Immunohistochemistry), ELISA                                                       |
| Immunogen                                          | Fusion protein of human TRAF3IP3                                                        |
| Immunogen Species                                  | Human                                                                                   |
| Conjugate                                          | Non-conjugated                                                                          |
| Preparation and Storage                            | Upon receipt, store at -20 degree C or -80 degree C. Avoid repeated freeze.             |

### IMAGES

#### IHC (Immunohistochemistry)

The image on the left is immunohistochemistry of paraffin-embedded Human lymphoma tissue using AAA237914 (TRAF3IP3 Antibody) at dilution 1/20, on the right is treated with fusion protein. (Original magnification: ×200)

#### IHC (Immunohistochemistry)

The image on the left is immunohistochemistry of paraffin-embedded Human liver cancer tissue using AAA237914 (TRAF3IP3 Antibody) at dilution 1/20, on the right is treated with fusion protein. (Original magnification: ×200)
