

## Rabbit anti-Human, Mouse ART5 Polyclonal Antibody | anti-ART5 antibody

ART5 Antibody

|                               |                       |                                   |                                                    |
|-------------------------------|-----------------------|-----------------------------------|----------------------------------------------------|
| CATALOG #<br><b>AAA238242</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human, Mouse</b> | APPLICATIONS<br><b>Immunohistochemistry, ELISA</b> |
|-------------------------------|-----------------------|-----------------------------------|----------------------------------------------------|

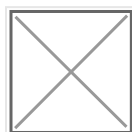

### PRODUCT SYNONYMS

ART5; Polyclonal Antibody; ART5 Antibody; ADP-ribosylTransferase 5; anti-ART5 antibody

### PRODUCT SPECIFICATIONS

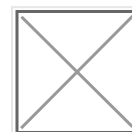

|                                                |                                                                                         |
|------------------------------------------------|-----------------------------------------------------------------------------------------|
| Host                                           | Rabbit                                                                                  |
| Reactivity                                     | Human, Mouse                                                                            |
| Clonality                                      | Polyclonal                                                                              |
| Isotype                                        | IgG                                                                                     |
| Purity/Purification                            | Antigen Affinity Purification                                                           |
| Form/Format                                    | Liquid; In Phosphate Buffered Saline, pH 7.4, 0.05% NaN <sub>3</sub> , and 40% Glycerol |
| Sequence Length                                | 291                                                                                     |
| Applicable Applications for anti-ART5 antibody | IHC (Immunohistochemistry), ELISA                                                       |
| Immunogen                                      | Fusion protein of human ART5                                                            |
| Immunogen Species                              | Human                                                                                   |
| Conjugate                                      | Non-conjugated                                                                          |
| Preparation and Storage                        | Upon receipt, store at -20 degree C or -80 degree C. Avoid repeated freeze.             |

### IMAGES

#### IHC (Immunohistochemistry)

The image on the left is immunohistochemistry of paraffin-embedded Human brain tissue using AAA238242 (ART5 Antibody) at dilution 1/50, on the right is treated with fusion protein. (Original magnification: ×200)

#### IHC (Immunohistochemistry)

The image on the left is immunohistochemistry of paraffin-embedded Human thyroid cancer tissue using AAA238242 (ART5 Antibody) at dilution 1/50, on the right is treated with fusion protein. (Original magnification: ×200)

### ADDITIONAL INFORMATION

|                                                  |              |

### NCBI AND UNIPROT INFORMATION

|                     |           |
|---------------------|-----------|
| NCBI GI #           | 296439487 |
| UniProt Accession # | Q96L15    |

|                         |                               |
|-------------------------|-------------------------------|
| NCBI Official Full Name | Ecto-ADP-ribosyltransferase 5 |
| UniProt Protein Name    | Ecto-ADP-ribosyltransferase 5 |
| UniProt Gene Name       | <b>ART5</b>                   |
| UniProt Entry Name      | NAR5_HUMAN                    |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
