

## Rabbit anti-Human TNFRSF10D Polyclonal Antibody | anti-TNFRSF10D antibody

TNFRSF10D Antibody

|                               |                       |                            |                                                    |
|-------------------------------|-----------------------|----------------------------|----------------------------------------------------|
| CATALOG #<br><b>AAA238731</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human</b> | APPLICATIONS<br><b>Immunohistochemistry, ELISA</b> |
|-------------------------------|-----------------------|----------------------------|----------------------------------------------------|

### PRODUCT SYNONYMS

TNFRSF10D; Polyclonal Antibody; TNFRSF10D Antibody; Tumor necrosis factor receptor superfamily; member 10d; decoy with truncated death domain; anti-TNFRSF10D antibody

### PRODUCT SPECIFICATIONS

|                                                     |                                                                                         |
|-----------------------------------------------------|-----------------------------------------------------------------------------------------|
| Host                                                | Rabbit                                                                                  |
| Reactivity                                          | Human                                                                                   |
| Clonality                                           | Polyclonal                                                                              |
| Isotype                                             | IgG                                                                                     |
| Purity/Purification                                 | Antigen Affinity Purification                                                           |
| Form/Format                                         | Liquid; In Phosphate Buffered Saline, pH 7.4, 0.05% NaN <sub>3</sub> , and 40% Glycerol |
| Applicable Applications for anti-TNFRSF10D antibody | IHC (Immunohistochemistry), ELISA                                                       |
| Immunogen                                           | Fusion protein of human TNFRSF10D                                                       |
| Immunogen Species                                   | Human                                                                                   |
| Conjugate                                           | Non-conjugated                                                                          |
| Preparation and Storage                             | Upon receipt, store at -20 degree C or -80 degree C. Avoid repeated freeze.             |

### IMAGES

#### IHC (Immunohistochemistry)

The image on the left is immunohistochemistry of paraffin-embedded Human thyroid cancer tissue using AAA238731 (TNFRSF10D Antibody) at dilution 1/40, on the right is treated with fusion protein. (Original magnification: ×200)

#### IHC (Immunohistochemistry)

The image on the left is immunohistochemistry of paraffin-embedded Human cervical cancer tissue using AAA238731 (TNFRSF10D Antibody) at dilution 1/40, on the right is treated with fusion protein. (Original magnification: ×200)
