

# Rabbit anti-Human IL27RA Polyclonal Antibody | anti-IL27RA antibody

IL27RA Antibody

| CATALOG # | HOST   | REACTIVITY | APPLICATIONS                              |
|-----------|--------|------------|-------------------------------------------|
| AAA239056 | Rabbit | Human      | Immunohistochemistry, Western Blot, ELISA |

## PRODUCT SYNONYMS

IL27RA; Polyclonal Antibody; IL27RA Antibody; Interleukin 27 receptor; alpha; anti-IL27RA antibody

## PRODUCT SPECIFICATIONS

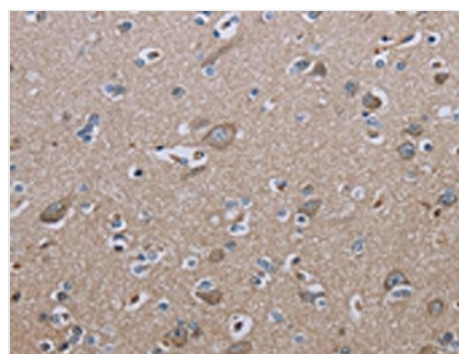

|                                                  |                                                                                         |
|--------------------------------------------------|-----------------------------------------------------------------------------------------|
| Host                                             | Rabbit                                                                                  |
| Reactivity                                       | Human                                                                                   |
| Clonality                                        | Polyclonal                                                                              |
| Isotype                                          | IgG                                                                                     |
| Purity/Purification                              | Antigen Affinity Purification                                                           |
| Form/Format                                      | Liquid; In Phosphate Buffered Saline, pH 7.4, 0.05% NaN <sub>3</sub> , and 40% Glycerol |
| Applicable Applications for anti-IL27RA antibody | IHC (Immunohistochemistry), WB (Western Blot), ELISA                                    |
| Immunogen                                        | Fusion protein of human IL27RA                                                          |
| Immunogen Species                                | Human                                                                                   |
| Conjugate                                        | Non-conjugated                                                                          |
| Preparation and Storage                          | Upon receipt, store at -20 degree C or -80 degree C. Avoid repeated freeze.             |

## IMAGES

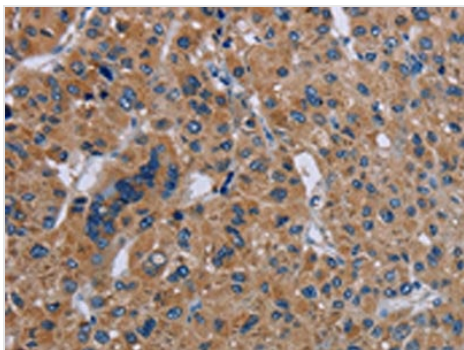

### SDS-PAGE

Gel: 8%SDS-PAGE, Lysate: 50 ug, Lane: Jurkat cells, Primary antibody: AAA239056(IL27RA Antibody) at dilution 1/200, Secondary antibody: Goat anti rabbit IgG at 1/8000 dilution, Exposure time: 20 seconds

### IHC (Immunohistochemistry)

The image on the left is immunohistochemistry of paraffin-embedded Human brain tissue using AAA239056(IL27RA Antibody) at dilution 1/40, on the right is treated with fusion protein. (Original magnification: ×200)

#### IHC (Immunohistochemistry)

The image on the left is immunohistochemistry of paraffin-embedded Human liver cancer tissue using AAA239056(IL27RA Antibody) at dilution 1/40, on the right is treated with fusion protein. (Original magnification: ×200)
