

# Rabbit anti-Human IL17C Polyclonal Antibody | anti-IL17C antibody

IL17C Antibody

| CATALOG # | HOST   | REACTIVITY | APPLICATIONS                              |
|-----------|--------|------------|-------------------------------------------|
| AAA241258 | Rabbit | Human      | Immunohistochemistry, Western Blot, ELISA |

## PRODUCT SYNONYMS

IL17C; Polyclonal Antibody; IL17C Antibody; Interleukin 17C; anti-IL17C antibody

## PRODUCT SPECIFICATIONS

|                                                 |                                                                                         |
|-------------------------------------------------|-----------------------------------------------------------------------------------------|
| Host                                            | Rabbit                                                                                  |
| Reactivity                                      | Human                                                                                   |
| Clonality                                       | Polyclonal                                                                              |
| Isotype                                         | IgG                                                                                     |
| Purity/Purification                             | Antigen Affinity Purification                                                           |
| Form/Format                                     | Liquid; In Phosphate Buffered Saline, pH 7.4, 0.05% NaN <sub>3</sub> , and 40% Glycerol |
| Applicable Applications for anti-IL17C antibody | IHC (Immunohistochemistry), WB (Western Blot), ELISA                                    |
| Immunogen                                       | Synthetic peptide of human IL17C                                                        |
| Immunogen Species                               | Human                                                                                   |
| Conjugate                                       | Non-conjugated                                                                          |
| Preparation and Storage                         | Upon receipt, store at -20 degree C or -80 degree C. Avoid repeated freeze.             |

## IMAGES

### SDS-PAGE

Gel: 10%SDS-PAGE, Lysate: 40 ug, Lane 1-4: A549 cells, K562 cells, Raji cells, human fetal intestine tissue, Primary antibody: AAA241258(IL17C Antibody) at dilution 1/300, Secondary antibody: Goat anti rabbit IgG at 1/8000 dilution, Exposure time: 20 seconds

### IHC (Immunohistochemistry)

The image on the left is immunohistochemistry of paraffin-embedded Human thyroid cancer tissue using AAA241258(IL17C Antibody) at dilution 1/50, on the right is treated with synthetic peptide. (Original magnification: ×200)
