

## Rabbit ENT1 Polyclonal Antibody | anti-ENT1 antibody

ENT1 Antibody

|                               |                       |                                           |                                            |
|-------------------------------|-----------------------|-------------------------------------------|--------------------------------------------|
| CATALOG #<br><b>AAA244141</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Arabidopsis thaliana</b> | APPLICATIONS<br><b>Western Blot, ELISA</b> |
|-------------------------------|-----------------------|-------------------------------------------|--------------------------------------------|

### PRODUCT SYNONYMS

ENT1; Polyclonal Antibody; ENT1 Antibody; Equilibrative nucleotide transporter 1 (AtENT1) (Nucleoside transporter ENT1) ENT1 At1g70330 F17O7.13; anti-ENT1 antibody

### PRODUCT SPECIFICATIONS

|                                                |                                                                                  |
|------------------------------------------------|----------------------------------------------------------------------------------|
| Host                                           | Rabbit                                                                           |
| Reactivity                                     | Arabidopsis thaliana                                                             |
| Clonality                                      | Polyclonal                                                                       |
| Isotype                                        | IgG                                                                              |
| Purity/Purification                            | Affinity-chromatography                                                          |
| Form/Format                                    | Liquid                                                                           |
| Sequence Positions                             | 255-299                                                                          |
| Applicable Applications for anti-ENT1 antibody | WB (Western Blot), ELISA                                                         |
| Antigen Species                                | Arabidopsis thaliana (Mouse-ear cress)                                           |
| Antigen                                        | Recombinant Arabidopsis thaliana ENT1 protein (255-299aa)                        |
| Conjugation                                    | Non-conjugate                                                                    |
| Buffer                                         | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, pH 7.4 |
| Preparation and Storage                        | Upon receipt, store at -20 degree C or -80 degree C. Avoid repeated freeze.      |
