

## Rabbit ompX Polyclonal Antibody | anti-ompX antibody

Rabbit anti-Escherichia coli O157:H7 ompX Polyclonal Antibody

|                               |                       |                                               |                                            |
|-------------------------------|-----------------------|-----------------------------------------------|--------------------------------------------|
| CATALOG #<br><b>AAA244212</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Escherichia coli O157:H7</b> | APPLICATIONS<br><b>Western Blot, ELISA</b> |
|-------------------------------|-----------------------|-----------------------------------------------|--------------------------------------------|

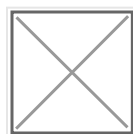

### PRODUCT SYNONYMS

ompX; Polyclonal Antibody; Rabbit anti-Escherichia coli O157:H7 ompX Polyclonal Antibody; ompX Antibody; Outer membrane protein X; anti-ompX antibody

### PRODUCT SPECIFICATIONS

|                                                |                                                                                           |
|------------------------------------------------|-------------------------------------------------------------------------------------------|
| Host                                           | Rabbit                                                                                    |
| Reactivity                                     | Escherichia coli O157:H7                                                                  |
| Clonality                                      | Polyclonal                                                                                |
| Isotype                                        | IgG                                                                                       |
| Purity/Purification                            | Protein G                                                                                 |
| Form/Format                                    | Liquid<br>Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, pH7.4 |
| Applicable Applications for anti-ompX antibody | WB (Western Blot), ELISA                                                                  |
| Immunogen                                      | Recombinant Escherichia coli O157:H7 ompX protein (24-171aa)                              |
| Immunogen Species                              | Escherichia coli O157:H7                                                                  |
| Conjugation                                    | Non-conjugated                                                                            |
| Research Area                                  | Others                                                                                    |
| Target Names                                   | ompX                                                                                      |
| Preparation and Storage                        | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                             |
