

## Porcine Autophagy protein 5 (ATG5) ELISA Kit | ATG5 elisa kit

Porcine Autophagy protein 5 (ATG5) ELISA Kit

CATALOG #  
**AAA244453**

REACTIVITY  
**Porcine**

### PRODUCT SYNONYMS

Autophagy protein 5 (ATG5); Porcine Autophagy protein 5 (ATG5) ELISA Kit; ATG5 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                            |
|-------------------------|----------------------------------------------------------------------------|
| Reactivity              | Porcine                                                                    |
| Samples                 | Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate |
| Preparation and Storage | Store all reagents at 2-8 degree C.                                        |

### NCBI AND UNIPROT INFORMATION

|                                  |                                                       |
|----------------------------------|-------------------------------------------------------|
| NCBI GI #                        | <a href="#">62079231</a>                              |
| NCBI GeneID                      | <a href="#">365601</a>                                |
| NCBI Accession #                 | <a href="#">NP_001014272.1</a>                        |
| NCBI GenBank Nucleotide #        | <a href="#">NM_001014250.1</a>                        |
| Molecular Weight                 | 32,398 Da                                             |
| NCBI Official Full Name          | autophagy protein 5                                   |
| NCBI Official Synonym Full Names | autophagy related 5                                   |
| NCBI Official Symbol             | Atg5                                                  |
| NCBI Protein Information         | autophagy protein 5; ATG5 autophagy related 5 homolog |
| UniProt Protein Name             | Autophagy protein 5                                   |
| UniProt Gene Name                | <b>Atg5</b>                                           |
| UniProt Entry Name               | ATG5_RAT                                              |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
