

## Mouse anti-Human, Mouse NAPRT1 Monoclonal Antibody | anti-NAPRT1 antibody

NAPRT1 Mouse Monoclonal

| CATALOG # | HOST  | REACTIVITY   | APPLICATIONS                              |
|-----------|-------|--------------|-------------------------------------------|
| AAA248004 | Mouse | Human, Mouse | Immunohistochemistry, Western Blot, ELISA |

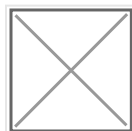

### PRODUCT SYNONYMS

NAPRT1; Monoclonal Antibody; NAPRT1 Mouse Monoclonal; anti-NAPRT1 antibody

### PRODUCT SPECIFICATIONS

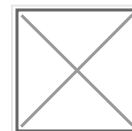

|                                                  |                                                                                                                        |
|--------------------------------------------------|------------------------------------------------------------------------------------------------------------------------|
| Host                                             | Mouse                                                                                                                  |
| Reactivity                                       | Human, Mouse                                                                                                           |
| Clonality                                        | Monoclonal                                                                                                             |
| Isotype                                          | IgG2a                                                                                                                  |
| Purity/Purification                              | >=95% as determined by SDS-PAGE<br>Protein A+G purification                                                            |
| Form/Format                                      | Liquid                                                                                                                 |
| Applicable Applications for anti-NAPRT1 antibody | IHC (Immunohistochemistry), WB (Western Blot), ELISA                                                                   |
| Immunogen                                        | Nicotinate phosphoribosyltransferase domain containing 1                                                               |
| Preparation and Storage                          | PBS with 0.02% sodium azide and 50% glycerol pH 7.3, -20 degree C for 24 months (Avoid repeated freeze / thaw cycles.) |

### IMAGES

#### WB (Western Blot)

HeLa cells were subjected to SDS PAGE followed by western blot with AAA248004 (NAPRT1 Antibody) at dilution of 1:1500

#### IHC (Immunohistochemistry)

Immunohistochemistry of paraffin-embedded human small intestine tissue slide using AAA248004 (NAPRT1 Antibody) at dilution of 1:50

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
