

# Mouse PDGFRb (Beta-type platelet-derived growth factor receptor) ELISA Kit | PDGFRb elisa kit

Mouse PDGFRb (Beta-type platelet-derived growth factor receptor) ELISA Kit

CATALOG #  
**AAA251524**

REACTIVITY  
**Mouse**

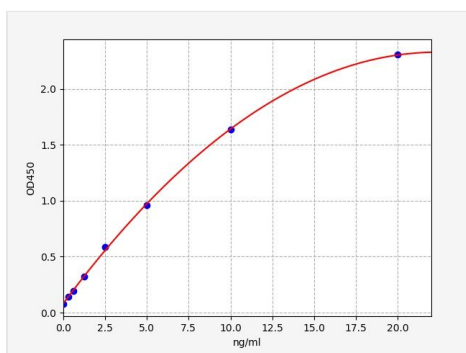

## PRODUCT SYNONYMS

PDGFRb (Beta-type platelet-derived growth factor receptor); Mouse PDGFRb (Beta-type platelet-derived growth factor receptor) ELISA Kit; PDGFRb; Beta-type platelet-derived growth factor receptor; PDGFRb elisa kit

## PRODUCT SPECIFICATIONS

|                         |                                                                                      |
|-------------------------|--------------------------------------------------------------------------------------|
| Reactivity              | Mouse                                                                                |
| Assay Type              | Sandwich ELISA, Double Antibody                                                      |
| Samples                 | Serum, Plasma, Cell Culture Supernatant, cell or tissue lysate, Other liquid samples |
| Detection Range         | 0.312-20ng/ml                                                                        |
| Sensitivity             | 0.188ng/ml                                                                           |
| Time                    | 4 hours                                                                              |
| Preparation and Storage | Store at 2-8 degree C for 12 months                                                  |

## IMAGES

Standard Curve (Sample)

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
