

## Human/Monkey CTCF (Transcriptional repressor CTCF) ELISA Kit | CTCF elisa kit

Human/Monkey CTCF (Transcriptional repressor CTCF) ELISA Kit

CATALOG #  
**AAA251686**

REACTIVITY  
**Human/Monkey**

### PRODUCT SYNONYMS

CTCF (Transcriptional repressor CTCF); Human/Monkey CTCF (Transcriptional repressor CTCF) ELISA Kit; Transcriptional repressor CTCF; 11-zinc finger protein; CCCTC-binding factor; CTCFL paralog; CTCF; CTCF elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                      |
|-------------------------|--------------------------------------------------------------------------------------|
| Reactivity              | Human/Monkey                                                                         |
| Assay Type              | Sandwich ELISA, Double Antibody                                                      |
| Samples                 | Serum, Plasma, Cell Culture Supernatant, cell or tissue lysate, Other liquid samples |
| Detection Range         | 31.25-2000pg/ml                                                                      |
| Sensitivity             | 18.75pg/ml                                                                           |
| Time                    | 4 hours                                                                              |
| Preparation and Storage | Store at 2-8 degree C for 12 months                                                  |

### NCBI AND UNIPROT INFORMATION

|                                  |                                                 |
|----------------------------------|-------------------------------------------------|
| NCBI GI #                        | <a href="#">1706179</a>                         |
| NCBI GeneID                      | <a href="#">10664</a>                           |
| UniProt Accession #              | <a href="#">P49711</a> ; <a href="#">G8F4K8</a> |
| Molecular Weight                 | 727                                             |
| NCBI Official Full Name          | Transcriptional repressor CTCF                  |
| NCBI Official Synonym Full Names | CCCTC-binding factor (zinc finger protein)      |
| NCBI Official Symbol             | CTCF                                            |

|                               |                                                                                                                 |
|-------------------------------|-----------------------------------------------------------------------------------------------------------------|
| NCBI Official Synonym Symbols | MRD21                                                                                                           |
| NCBI Protein Information      | transcriptional repressor CTCF; CTCFL paralog; 11-zinc finger protein; 11 zinc finger transcriptional repressor |
| UniProt Protein Name          | Transcriptional repressor CTCF                                                                                  |
| UniProt Gene Name             | <b>CTCF</b>                                                                                                     |
| UniProt Entry Name            | CTCF_HUMAN                                                                                                      |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
