

## Monkey Lipocalin-2 (Neutrophil Gelatinase Associated Lipocalin) ELISA Kit | LCN2 elisa kit

Monkey Lipocalin-2 (Neutrophil Gelatinase Associated Lipocalin) QuickTest ELISA Kit

CATALOG #  
**AAA251895**

REACTIVITY  
**Monkey**

### PRODUCT SYNONYMS

Lipocalin-2 (Neutrophil Gelatinase Associated Lipocalin); Monkey Lipocalin-2 (Neutrophil Gelatinase Associated Lipocalin) QuickTest ELISA Kit; Lipocalin-2/NGAL/LCN2/Oncogene 24p3/MSFI; LCN2 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                       |
|-------------------------|-------------------------------------------------------------------------------------------------------|
| Reactivity              | Monkey                                                                                                |
| Assay Type              | Sandwich ELISA, Double Antibody                                                                       |
| Samples                 | Serum, plasma, cell culture supernatant, cell lysate or tissue lysate, other biological fluid samples |
| Detection Range         | 31.25-2000pg/ml                                                                                       |
| Sensitivity             | 18.75pg/ml                                                                                            |
| Time                    | 120 minutes                                                                                           |
| Preparation and Storage | Store at 2-8 degree C for 12 months                                                                   |
