

## Human TTPA (Alpha-tocopherol transfer protein) ELISA Kit | TTPA elisa kit

Human TTPA (Alpha-tocopherol transfer protein) QuickTest ELISA Kit

CATALOG #  
**AAA252281**

REACTIVITY  
**Human**

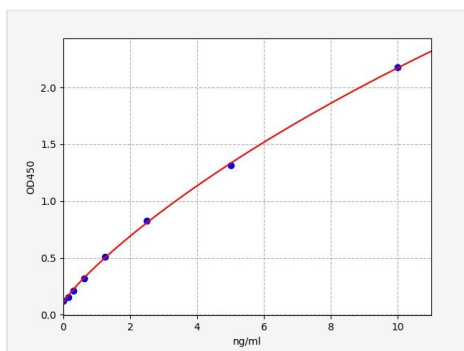

### PRODUCT SYNONYMS

TTPA (Alpha-tocopherol transfer protein); Human TTPA (Alpha-tocopherol transfer protein) QuickTest ELISA Kit; Alpha-tocopherol transfer protein; Alpha-TTP; TTPA; TPP1; TTPA elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                       |
|-------------------------|-------------------------------------------------------------------------------------------------------|
| Reactivity              | Human                                                                                                 |
| Assay Type              | Sandwich ELISA, Double Antibody                                                                       |
| Samples                 | Serum, plasma, cell culture supernatant, cell lysate or tissue lysate, other biological fluid samples |
| Detection Range         | 0.156-10ng/ml                                                                                         |
| Sensitivity             | 0.094ng/ml                                                                                            |
| Time                    | 120 minutes                                                                                           |
| Preparation and Storage | Store at 2-8 degree C for 12 months                                                                   |

### NCBI AND UNIPROT INFORMATION

|                           |                                   |
|---------------------------|-----------------------------------|
| NCBI GI #                 | 4507723                           |
| NCBI GeneID               | 7274                              |
| NCBI Accession #          | NP_000361.1                       |
| NCBI GenBank Nucleotide # | NM_000370.3                       |
| UniProt Accession #       | P49638; Q71V64                    |
| Molecular Weight          | 31,750 Da                         |
| NCBI Official Full Name   | alpha-tocopherol transfer protein |

|                                  |                                   |
|----------------------------------|-----------------------------------|
| NCBI Official Synonym Full Names | alpha tocopherol transfer protein |
| NCBI Official Symbol             | TTPA                              |
| NCBI Official Synonym Symbols    | ATTP; AVED; TTP1; alphaTTP        |
| NCBI Protein Information         | alpha-tocopherol transfer protein |
| UniProt Protein Name             | Alpha-tocopherol transfer protein |
| UniProt Gene Name                | <b>TTPA</b>                       |
| UniProt Synonym Gene Names       | TPP1; Alpha-TTP                   |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
