

## Human IL28B (Interleukin-28B) ELISA Kit | IL-28B elisa kit

Human IL28B (Interleukin-28B) QuickTest ELISA Kit

CATALOG #  
**AAA252319**

REACTIVITY  
**Human**

### PRODUCT SYNONYMS

IL28B (Interleukin-28B); Human IL28B (Interleukin-28B) QuickTest ELISA Kit; Interferon lambda-3; IFN-lambda-3; Cytokine Zcyto22; Interleukin-28B; IL-28B; Interleukin-28C; IL-28C; IFNL3; IL28B; IL28C; ZCYTO22; IL-28B elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                       |
|-------------------------|-------------------------------------------------------------------------------------------------------|
| Reactivity              | Human                                                                                                 |
| Assay Type              | Sandwich ELISA, Double Antibody                                                                       |
| Samples                 | Serum, plasma, cell culture supernatant, cell lysate or tissue lysate, other biological fluid samples |
| Detection Range         | 15.625-1000pg/ml                                                                                      |
| Sensitivity             | 9.375pg/ml                                                                                            |
| Time                    | 120 minutes                                                                                           |
| Preparation and Storage | Store at 2-8 degree C for 12 months                                                                   |

### NCBI AND UNIPROT INFORMATION

|                           |                                        |
|---------------------------|----------------------------------------|
| NCBI GI #                 | 28144901                               |
| NCBI GeneID               | 282617                                 |
| NCBI Accession #          | NP_742151.2                            |
| NCBI GenBank Nucleotide # | NM_172139.2                            |
| UniProt Accession #       | Q8IZI9; Q6VN56; Q7Z4J3; Q8IWL6; A2BDE1 |
| Molecular Weight          | 21,706 Da                              |
| NCBI Official Full Name   | interferon lambda-3                    |

|                                  |                                                                                                                                                                                                                 |
|----------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| NCBI Official Synonym Full Names | interferon, lambda 3                                                                                                                                                                                            |
| NCBI Official Symbol             | IFNL3                                                                                                                                                                                                           |
| NCBI Official Synonym Symbols    | IL28B; IL28C; IL-28B                                                                                                                                                                                            |
| NCBI Protein Information         | interferon lambda-3; IL-28C; IFN-lambda-3; IFN-lambda-4; interleukin 28C; interleukin-28B; interleukin-28C; cytokine Zcyto22; interferon lambda-4; interferon, lambda 4; interleukin 28B (interferon, lambda 3) |
| UniProt Protein Name             | Interferon lambda-3                                                                                                                                                                                             |
| UniProt Gene Name                | <b>IFNL3</b>                                                                                                                                                                                                    |
| UniProt Synonym Gene Names       | IL28B; IL28C; ZCYTO22; IFN-lambda-3; IL-28B; IL-28C                                                                                                                                                             |
| UniProt Entry Name               | IFNL3_HUMAN                                                                                                                                                                                                     |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
