

## Human PA2G4 (ProlifeRation-associated protein 2G4) ELISA Kit | PA2G4 elisa kit

Human PA2G4 (ProlifeRation-associated protein 2G4) QuickTest ELISA Kit

CATALOG #  
**AAA252543**

REACTIVITY  
**Human**

### PRODUCT SYNONYMS

PA2G4 (ProlifeRation-associated protein 2G4); Human PA2G4 (ProlifeRation-associated protein 2G4) QuickTest ELISA Kit; Proliferation-associated protein 2G4; Cell cycle protein p38-2G4 homolog; hG4-1; ErbB3-binding protein 1; PA2G4; EBP1; PA2G4 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                       |
|-------------------------|-------------------------------------------------------------------------------------------------------|
| Reactivity              | Human                                                                                                 |
| Assay Type              | Sandwich ELISA, Double Antibody                                                                       |
| Samples                 | Serum, plasma, cell culture supernatant, cell lysate or tissue lysate, other biological fluid samples |
| Detection Range         | 0.313-20ng/ml                                                                                         |
| Sensitivity             | 0.188ng/ml                                                                                            |
| Time                    | 120 minutes                                                                                           |
| Preparation and Storage | Store at 2-8 degree C for 12 months                                                                   |
