

## Human MUC6 (Mucin 6) ELISA Kit | MUC6 elisa kit

Human MUC6 (Mucin 6) QuickTest ELISA Kit

CATALOG #  
**AAA252583**

REACTIVITY  
**Human**

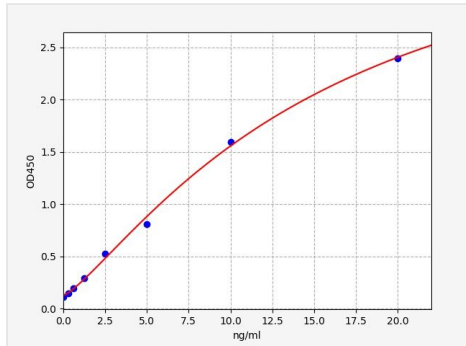

### PRODUCT SYNONYMS

MUC6 (Mucin 6); Human MUC6 (Mucin 6) QuickTest ELISA Kit; Mucin-6; MUC-6; Gastric mucin-6; MUC6; MUC6 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                       |
|-------------------------|-------------------------------------------------------------------------------------------------------|
| Reactivity              | Human                                                                                                 |
| Assay Type              | Sandwich ELISA, Double Antibody                                                                       |
| Samples                 | Serum, plasma, cell culture supernatant, cell lysate or tissue lysate, other biological fluid samples |
| Detection Range         | 0.313-20ng/ml                                                                                         |
| Sensitivity             | 0.188ng/ml                                                                                            |
| Time                    | 120 minutes                                                                                           |
| Preparation and Storage | Store at 2-8 degree C for 12 months                                                                   |

### NCBI AND UNIPROT INFORMATION

|                                  |                                                        |
|----------------------------------|--------------------------------------------------------|
| NCBI GI #                        | 151301154                                              |
| NCBI GeneID                      | 4588                                                   |
| NCBI Accession #                 | NP_005952.2                                            |
| NCBI GenBank Nucleotide #        | NM_005961.2                                            |
| UniProt Accession #              | Q6W4X9; O15329; Q14394; Q2TUQ5; Q4L207; Q8N8I1; Q8NAK1 |
| Molecular Weight                 | 257,051 Da                                             |
| NCBI Official Full Name          | mucin-6                                                |
| NCBI Official Synonym Full Names | mucin 6, oligomeric mucus/gel-forming                  |

|                               |             |
|-------------------------------|-------------|
| NCBI Official Symbol          | MUC6        |
| NCBI Official Synonym Symbols | MUC-6       |
| NCBI Protein Information      | mucin-6     |
| UniProt Protein Name          | Mucin-6     |
| UniProt Gene Name             | <b>MUC6</b> |
| UniProt Synonym Gene Names    | MUC-6       |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
