

## Rat SMPD1 (Sphingomyelin phosphodiesterase) ELISA Kit | SMPD1 elisa kit

Rat SMPD1 (Sphingomyelin phosphodiesterase) QuickTest ELISA Kit

CATALOG #  
**AAA252890**

REACTIVITY  
**Rat**

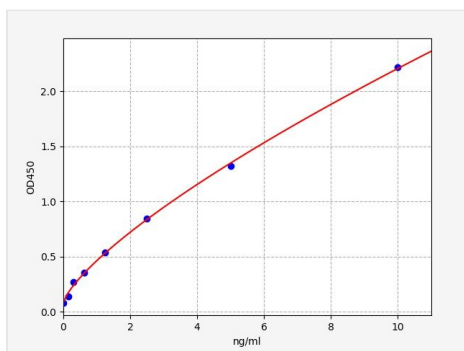

### PRODUCT SYNONYMS

SMPD1 (Sphingomyelin phosphodiesterase); Rat SMPD1 (Sphingomyelin phosphodiesterase) QuickTest ELISA Kit; Sphingomyelin phosphodiesterase ; EC:3.1.4.12; Smpd1; SMPD1 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                       |
|-------------------------|-------------------------------------------------------------------------------------------------------|
| Reactivity              | Rat                                                                                                   |
| Assay Type              | Sandwich ELISA, Double Antibody                                                                       |
| Samples                 | Serum, plasma, cell culture supernatant, cell lysate or tissue lysate, other biological fluid samples |
| Detection Range         | 0.156-10ng/ml                                                                                         |
| Sensitivity             | 0.094ng/ml                                                                                            |
| Time                    | 120 minutes                                                                                           |
| Preparation and Storage | Store at 2-8 degree C for 12 months                                                                   |
