

## Mouse Ang2 (Angiopoietin-2) ELISA Kit | ANG2 elisa kit

Mouse Ang2 (Angiopoietin-2) QuickTest ELISA Kit

CATALOG #  
**AAA253031**

REACTIVITY  
**Mouse**

### PRODUCT SYNONYMS

Ang2 (Angiopoietin-2); Mouse Ang2 (Angiopoietin-2) QuickTest ELISA Kit; Angiopoietin-2; ANG-2; ANGPT2; ANG2 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                       |
|-------------------------|-------------------------------------------------------------------------------------------------------|
| Reactivity              | Mouse                                                                                                 |
| Assay Type              | Sandwich ELISA, Double Antibody                                                                       |
| Samples                 | Serum, plasma, cell culture supernatant, cell lysate or tissue lysate, other biological fluid samples |
| Detection Range         | 39.063-2500pg/ml                                                                                      |
| Sensitivity             | 23.438pg/ml                                                                                           |
| Time                    | 120 minutes                                                                                           |
| Preparation and Storage | Store at 2-8 degree C for 12 months                                                                   |

### NCBI AND UNIPROT INFORMATION

|                                  |                                             |
|----------------------------------|---------------------------------------------|
| NCBI GI #                        | 112818586                                   |
| NCBI GeneID                      | 11731                                       |
| NCBI Accession #                 | NP_031475.2                                 |
| NCBI GenBank Nucleotide #        | NM_007449.2                                 |
| UniProt Accession #              | Q64438; G5E8D0                              |
| Molecular Weight                 | 16,593 Da                                   |
| NCBI Official Full Name          | angiogenin-2                                |
| NCBI Official Synonym Full Names | angiogenin, ribonuclease A family, member 2 |
| NCBI Official Symbol             | Ang2                                        |
| NCBI Official Synonym Symbols    | Raa3; Angrp; Rnase5b                        |
| NCBI Protein Information         | angiogenin-2                                |
| UniProt Protein Name             | Angiogenin-2                                |

|                            |       |
|----------------------------|-------|
| UniProt Gene Name          | Ang2  |
| UniProt Synonym Gene Names | Angrp |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
