

## Rat C3d (Complement Fragment 3d) ELISA Kit | C3d elisa kit

Rat C3d (Complement Fragment 3d) QuickTest ELISA Kit

CATALOG #  
AAA253509

REACTIVITY  
Rat

### PRODUCT SYNONYMS

C3d (Complement Fragment 3d); Rat C3d (Complement Fragment 3d) QuickTest ELISA Kit; C3; Complement 3c; CPAMD1; C3d elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                       |
|-------------------------|-------------------------------------------------------------------------------------------------------|
| Reactivity              | Rat                                                                                                   |
| Assay Type              | Sandwich ELISA, Double Antibody                                                                       |
| Samples                 | Serum, plasma, cell culture supernatant, cell lysate or tissue lysate, other biological fluid samples |
| Detection Range         | 1.563-100ng/ml                                                                                        |
| Sensitivity             | 0.938ng/ml                                                                                            |
| Time                    | 120 minutes                                                                                           |
| Preparation and Storage | Store at 2-8 degree C for 12 months                                                                   |
