

## Human trastuzumab antibody ELISA Kit

Human Anti-trastuzumab antibody ELISA Kit

CATALOG #  
AAA253587

REACTIVITY  
Human

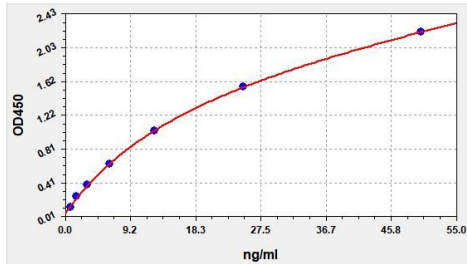

### PRODUCT SYNONYMS

trastuzumab antibody; Human Anti-trastuzumab antibody ELISA Kit; Anti-trastuzumab antibody; trastuzumab antibody elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                      |
|-------------------------|--------------------------------------------------------------------------------------|
| Reactivity              | Human                                                                                |
| Assay Type              | Sandwich ELISA, Double Antigen                                                       |
| Samples                 | Serum, Plasma, Cell Culture Supernatant, cell or tissue lysate, Other liquid samples |
| Detection Range         | 0.781-50ng/ml                                                                        |
| Sensitivity             | 0.469ng/ml                                                                           |
| Time                    | 4 hours                                                                              |
| Preparation and Storage | Store at 2-8 degree C for 12 months                                                  |

### IMAGES

Standard Curve (Sample)

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
