

## Mouse SFRP1 (Secreted frizzled-related protein 1) ELISA Kit | SFRP1 elisa kit

Mouse SFRP1 (Secreted frizzled-related protein 1) ELISA Kit

CATALOG #  
**AAA253624**

REACTIVITY  
**Mouse**

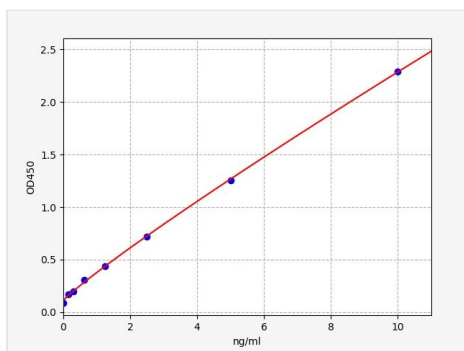

### PRODUCT SYNONYMS

SFRP1 (Secreted frizzled-related protein 1); Mouse SFRP1 (Secreted frizzled-related protein 1) ELISA Kit; SFRP1; Secreted frizzled-related protein 1; FRP-1; sFRP-1; Secreted apoptosis-related protein 2 (SARP-2); FRP; FRP1; SARP2; SFRP1 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                      |
|-------------------------|--------------------------------------------------------------------------------------|
| Reactivity              | Mouse                                                                                |
| Assay Type              | Sandwich ELISA, Double Antibody                                                      |
| Samples                 | Serum, Plasma, Cell Culture Supernatant, cell or tissue lysate, Other liquid samples |
| Detection Range         | 0.156-10ng/ml                                                                        |
| Sensitivity             | 0.094ng/ml                                                                           |
| Time                    | 4 hours                                                                              |
| Preparation and Storage | Store at 2-8 degree C for 12 months                                                  |

### NCBI AND UNIPROT INFORMATION

|                           |                                     |
|---------------------------|-------------------------------------|
| NCBI GI #                 | 65301472                            |
| NCBI GeneID               | 20377                               |
| NCBI Accession #          | NP_038862.2                         |
| NCBI GenBank Nucleotide # | NM_013834.3                         |
| UniProt Accession #       | Q8C4U3; O08861; Q505A2; Q8R1J4      |
| Molecular Weight          | 35,413 Da                           |
| NCBI Official Full Name   | secreted frizzled-related protein 1 |

|                                  |                                                                                   |
|----------------------------------|-----------------------------------------------------------------------------------|
| NCBI Official Synonym Full Names | secreted frizzled-related protein 1                                               |
| NCBI Official Symbol             | Sfrp1                                                                             |
| NCBI Official Synonym Symbols    | sFRP-1; AW011917; AW107218; AW742929; 2210415K03Rik                               |
| NCBI Protein Information         | secreted frizzled-related protein 1; secreted frizzled-related sequence protein 1 |
| UniProt Protein Name             | Secreted frizzled-related protein 1                                               |
| UniProt Gene Name                | <b>Sfrp1</b>                                                                      |
| UniProt Synonym Gene Names       | sFRP-1                                                                            |
| UniProt Entry Name               | SFRP1_MOUSE                                                                       |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
