

# Mouse anti-Human Thioredoxin Domain-containing Protein 4 Monoclonal Antibody | anti-TXNDC4 antibody

Thioredoxin Domain-containing Protein 4 (TXNDC4, Endoplasmic Reticulum Resident Protein 44, ER Protein 44, ERp44, KIAA0573, PDIA10, UNQ532/PRO1075) (PE)

| Isotype                                          | IgG2b,k                                                                                                                                              |
| Clone Number                                     | 3C7                                                                                                                                                  |
| Specificity                                      | Recognizes human TXNDC4.                                                                                                                             |
| Purity/Purification                              | Purified by Protein A Affinity Chromatography.                                                                                                       |
| Form/Format                                      | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with R-Phycoerythrin (PE).                                                       |
| Applicable Applications for anti-TXNDC4 antibody | ELISA, IHC (Immunohistochemistry), IP (Immunoprecipitation), WB (Western Blot)                                                                       |
| Application Notes                                | IHC-P: 3ug/ml<br>Applications are based on unconjugated antibody.                                                                                    |
| Immunogen                                        | Full length recombinant corresponding to aa30-407 from TXNDC4 (AAH05374) with GST tag. MW of the GST tag alone is 26kD.                              |
| Immunogen Sequence                               | EITSLDTENIDEILNNADVALVNFYADWCRFSQMLHPIFEEASDVIKEEFPNENQVVFARVDCDQHSDIAQRYRISKYPTLKLFRNGMMMREYRGQRSVK                                                 |
| Conjugate                                        | PE                                                                                                                                                   |
| Preparation and Storage                          | Store product at 4 degree C in the dark. DO NOT FREEZE! Stable at 4 degree C for 12 months after receipt as an undiluted liquid. Dilute required amo |

## IMAGES

WB (Western Blot)  
TXNDC4 monoclonal antibody Western Blot analysis of TXNDC4 expression in K-562.

WB (Western Blot)  
TXNDC4 monoclonal antibody Western Blot analysis of TXNDC4 expression in A-431.

#### Application Data

Detection limit for recombinant GST tagged TXNDC4 is 1ng/ml as a capture antibody.

#### IP (Immunoprecipitation)

Immunoprecipitation of TXNDC4 transfected lysate using TXNDC4 monoclonal antibody and Protein A Magnetic Bead, and immunoblotted with TXNDC4 rabbit polyclonal antibody.

#### IHC (Immunohistochemistry)

Immunoperoxidase of monoclonal antibody to TXNDC4 on formalin-fixed paraffin-embedded human small Intestine. [antibody concentration 3ug/ml]

#### WB (Western Blot)

Western Blot analysis of TXNDC4 expression in transfected 293T cell line by TXNDC4 monoclonal antibody Lane 1: TXNDC4 transfected lysate (47kD). Lane 2: Non-transfected lysate.

## ADDITIONAL INFORMATION

Product Categories/Family for anti-TXNDC4 antibody

Antibodies; Thioredoxin
