

## TFCP2L1 Polyclonal Antibody | anti-TFCP2L1 antibody

Anti-TFCP2L1 Antibody

|                               |                                        |                                     |
|-------------------------------|----------------------------------------|-------------------------------------|
| CATALOG #<br><b>AAA259914</b> | REACTIVITY<br><b>Human, Mouse, Rat</b> | APPLICATIONS<br><b>Western Blot</b> |
|-------------------------------|----------------------------------------|-------------------------------------|

### PRODUCT SYNONYMS

TFCP2L1; Polyclonal Antibody; Anti-TFCP2L1 Antibody; CRTR1; LBP9; Transcription factor CP2-like protein 1; CP2-related transcriptional repressor 1; CRTR-1; Transcription factor LBP-9; anti-TFCP2L1 antibody

### PRODUCT SPECIFICATIONS

|                                                   |                                                                                                                                        |
|---------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Reactivity                                        | Human, Mouse, Rat                                                                                                                      |
| Clonality                                         | Polyclonal                                                                                                                             |
| Specificity                                       | Recognizes endogenous levels of TFCP2L1 protein.                                                                                       |
| Purity/Purification                               | The antibody was purified by immunogen affinity chromatography.                                                                        |
| Form/Format                                       | Liquid in 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.                              |
| Sequence Length                                   | 479                                                                                                                                    |
| Applicable Applications for anti-TFCP2L1 antibody | WB (Western Blot)                                                                                                                      |
| Source                                            | Rabbit                                                                                                                                 |
| Immunogen                                         | KLH-conjugated synthetic peptide encompassing a sequence within the N-term region of human TFCP2L1. The exact sequence is proprietary. |
| Preparation and Storage                           | Shipped at 4°C. Upon delivery aliquot and store at -20°C for one year. Avoid freeze/thaw cycles.                                       |
