

## Rabbit BCL6 Polyclonal Antibody | anti-BCL6 antibody

Anti-BCL6 Antibody

| CATALOG # | HOST   | REACTIVITY             | APPLICATIONS                       |
|-----------|--------|------------------------|------------------------------------|
| AAA261066 | Rabbit | Human, Mouse, Rat, Dog | Immunohistochemistry, Western Blot |

### PRODUCT SYNONYMS

BCL6; Polyclonal Antibody; Anti-BCL6 Antibody; BCL5; LAZ3; ZBTB27; ZNF51; B-cell lymphoma 6 protein; BCL-6; B-cell lymphoma 5 protein; BCL-5; Protein LAZ-3; Zinc finger and BTB domain-containing protein 27; Zinc finger protein 51; anti-BCL6 antibody

### PRODUCT SPECIFICATIONS

|                                                |                                                                                                                                     |
|------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Host                                           | Rabbit                                                                                                                              |
| Reactivity                                     | Human, Mouse, Rat, Dog                                                                                                              |
| Clonality                                      | Polyclonal                                                                                                                          |
| Specificity                                    | Recognizes endogenous levels of BCL6 protein.                                                                                       |
| Purity/Purification                            | Immunogen affinity chromatography                                                                                                   |
| Form/Format                                    | Liquid in 0.42% Potassium Phosphate, 0.87% Sodium Chloride, pH 7.3, 30% Glycerol, and 0.01% Sodium Azide.                           |
| Sequence Length                                | 706                                                                                                                                 |
| Applicable Applications for anti-BCL6 antibody | IHC (Immunohistochemistry), WB (Western Blot)                                                                                       |
| Immunogen                                      | KLH-conjugated synthetic peptide encompassing a sequence within the center region of human BCL6. The exact sequence is proprietary. |
| Preparation and Storage                        | Upon receipt, aliquot and store at -20°C for one year. Avoid freeze/thaw cycles.                                                    |

### IMAGES

#### IHC (Immunohistochemistry)

Immunohistochemical analysis of BCL6 staining in human lymphoma formalin fixed paraffin embedded tissue section. The section was pre-treated using heat mediated antigen retrieval with sodium citrate buffer (pH 6.0). The section was then incubated with the antibody at room temperature and detected using an HRP conjugated compact polymer system. DAB was used as the chromogen. The section was then counterstained with haematoxylin and mounted with DPX.

#### WB (Western Blot)

Western blot analysis of BCL6 expression in H1688 (A), H446 (B), mouse muscle (C), rat muscle (D) whole cell lysates.
