### PRODUCT SYNONYMS

BTNL2; Polyclonal Antibody; Anti-BTNL2 Antibody; Butyrophilin-like protein 2; BTL-II; anti-BTNL2 antibody

### PRODUCT SPECIFICATIONS

|                                                 |                                                                                                            |
|-------------------------------------------------|------------------------------------------------------------------------------------------------------------|
| Host                                            | Rabbit                                                                                                     |
| Reactivity                                      | Human, Mouse                                                                                               |
| Clonality                                       | Polyclonal                                                                                                 |
| Specificity                                     | Recognizes endogenous levels of BTNL2 protein.                                                             |
| Purity/Purification                             | The antibody was purified by immunogen affinity chromatography.                                            |
| Form/Format                                     | Liquid in 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.  |
| Sequence Length                                 | 259                                                                                                        |
| Applicable Applications for anti-BTNL2 antibody | WB (Western Blot)                                                                                          |
| Immunogen                                       | Recombinant full length protein of human BTNL2                                                             |
| Preparation and Storage                         | Ships on blue ice. Upon delivery aliquot and store at -20 degree C for one year. Avoid freeze/thaw cycles. |

### IMAGES

#### WB (Western Blot)

Western blot analysis of BTNL2 expression in HepG2 (A), HL60 (B), mouse liver (C) whole cell lysates.
