

Mouse OXTR (Oxytocin Receptor) ELISA Kit | OXTR elisa kit

Mouse OXTR (Oxytocin Receptor) ELISA Kit

CATALOG #
AAA276569

REACTIVITY
Mouse

PRODUCT SYNONYMS

OXTR (Oxytocin Receptor); Mouse OXTR (Oxytocin Receptor) ELISA Kit; OT-R; OXTR elisa kit

PRODUCT SPECIFICATIONS

Reactivity	Mouse
Specificity	This assay has high sensitivity and excellent specificity for detection of Mouse OXTR. No significant cross-reactivity or interference between Mouse OXTR and analogues was observed.
Assay Type	Sandwich
Detection Range	0.16-10 ng/mL
Sensitivity	0.058 ng/mL
Intra-assay Precision	Intra-assay Precision (Precision within an assay)? CV%<8%. Three samples of known concentration were tested twenty times on one plate to assess intra-assay precision.
Inter-assay Precision	Inter-assay Precision (Precision between assays)? CV%<10%. Three samples of known concentration were tested in forty separate assays to assess inter-assay precision.
Preparation and Storage	Store at 2-8 degree C. Stable for 6 months from date of receipt.

ADDITIONAL INFORMATION

Related Product Information for OXTR elisa kit

Principle of the Assay: The test principle applied in this kit is Sandwich enzyme immunoassay. The microtiter plate provided in this kit has been pre-coated with an antibody specific to Oxytocin Receptor(OXTR). Standards or samples are added to the appropriate microtiter plate wells then with a biotin-conjugated antibody specific to Oxytocin Receptor(OXTR). Next, Avidin conjugated to Horseradish Peroxidase (HRP) is added to each microplate well and incubated. After TMB substrate solution is added, only those wells that contain Oxytocin Receptor(OXTR), biotin-conjugated antibody and enzyme-conjugated Avidin will exhibit a change in color. The enzyme-substrate reaction is terminated by the addition of sulphuric acid solution and the color change is measured spectrophotometrically at a wavelength of 450nm ± 10nm. The concentration of Oxytocin Receptor(OXTR) in the samples is then determined by comparing the OD of the samples to the standard curve.
