

Pig iNOS (inducible nitric oxide synthase) ELISA Kit | iNOS elisa kit

Pig iNOS (inducible nitric oxide synthase) ELISA Kit

CATALOG #
AAA277318

REACTIVITY
Pig

PRODUCT SYNONYMS

iNOS (inducible nitric oxide synthase); Pig iNOS (inducible nitric oxide synthase) ELISA Kit; NOS2A; INOS; HEP-NOS; I-NOS; Hepatocytes Oxide Synthase; Peptidyl-cysteine S-nitrosylase NOS2; NOS2; Nitric Oxide Synthase 2; Inducible; iNOS elisa kit

PRODUCT SPECIFICATIONS

Reactivity	Pig
Specificity	This assay has high sensitivity and excellent specificity for detection of Pig iNOS. No significant cross-reactivity or interference between Pig iNOS and analogues was observed.
Assay Type	Sandwich
Detection Range	0.63-40 U/mL
Sensitivity	0.31 U/mL
Intra-assay Precision	Intra-assay Precision (Precision within an assay)? CV% < 8%. Three samples of known concentration were tested twenty times on 1 plate to assess intra-assay precision.
Inter-assay Precision	Inter-assay Precision (precision between assays)? CV% < 10%. Three samples of known concentration were tested in forty separate assays to assess inter-assay precision.

ADDITIONAL INFORMATION

Related Product Information for iNOS elisa kit

Principle of the Assay: The test principle applied in this kit is Sandwich enzyme immunoassay. The microtiter plate provided in this kit has been pre-coated with an antibody specific to iNOS. Standards or samples are added to the appropriate microtiter plate wells then with a biotin-conjugated antibody specific to iNOS. Next, Avidin conjugated to Horseradish Peroxidase (HRP) is added to each microplate well and incubated. After TMB substrate solution is added, only those wells that contain iNOS, biotin-conjugated antibody and enzyme-conjugated Avidin will exhibit a change in color. The enzyme-substrate reaction is terminated by the addition of sulphuric acid solution and the color change is measured spectrophotometrically at a wavelength of 450nm ± 10nm. The concentration of iNOS in the samples is then determined by comparing the OD of the samples to the standard curve.
