

## Rabbit anti-Human, Mouse LTbetaR Polyclonal Antibody | anti-LTbetaR antibody

LTbetaR Polyclonal Antibody

| CATALOG # | HOST   | REACTIVITY   | APPLICATIONS                     |
|-----------|--------|--------------|----------------------------------|
| AAA295175 | Rabbit | Human, Mouse | Immunofluorescence, Western Blot |

### PRODUCT SYNONYMS

LTbetaR; Polyclonal Antibody; LTbetaR Polyclonal Antibody; LTBR; D12S370; TNFCR; TNFR3; TNFRSF3; Tumor necrosis factor receptor superfamily member 3; Lymphotoxin-beta receptor; Tumor necrosis factor C receptor; Tumor necrosis factor receptor 2-related protein; Tumor necrosis factor receptor type II; anti-LTbetaR antibody

### PRODUCT SPECIFICATIONS

|                                                   |                                                                                                                                                       |
|---------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                                              | Rabbit                                                                                                                                                |
| Reactivity                                        | Human, Mouse                                                                                                                                          |
| Clonality                                         | Polyclonal                                                                                                                                            |
| Applicable Applications for anti-LTbetaR antibody | IF (Immunofluorescence), WB (Western Blot)                                                                                                            |
| Preparation and Storage                           | Maintain refrigerated at 2-8 degree C for up to 2 weeks. For long term storage store at -20 degree C in small aliquots to prevent freeze-thaw cycles. |

### IMAGES

#### WB (Western Blot)

Dilution: Western Blot: 1/500 - 1/2000. Immunofluorescence: 1/200 - 1/1000. ELISA: 1/40000.  
Not yet tested in other applications.

#### WB (Western Blot)

Dilution: Western Blot: 1/500 - 1/2000. Immunofluorescence: 1/200 - 1/1000. ELISA: 1/40000.  
Not yet tested in other applications.

### ADDITIONAL INFORMATION

|                                                       |                                                                                                                                                                                          |
|-------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Related Product Information for anti-LTbetaR antibody | Receptor for the heterotrimeric lymphotoxin containing LTA and LTb, and for TNFS14/LIGHT. Promotes apoptosis via TRAF3 and TRAF5. May play a role in the development of lymphoid organs. |
|-------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
