

## Rabbit Ran BP-6 Polyclonal Antibody | anti-RANBP6 antibody

Ran BP-6 Polyclonal Antibody

|                               |                       |                                                |                                     |
|-------------------------------|-----------------------|------------------------------------------------|-------------------------------------|
| CATALOG #<br><b>AAA295701</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human, Mouse, Rat, Monkey</b> | APPLICATIONS<br><b>Western Blot</b> |
|-------------------------------|-----------------------|------------------------------------------------|-------------------------------------|

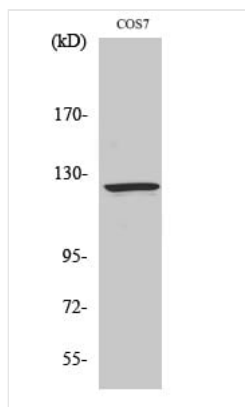

### PRODUCT SYNONYMS

Ran BP-6; Polyclonal Antibody; Ran BP-6 Polyclonal Antibody; RANBP6; Ran-binding protein 6; RanBP6; anti-RANBP6 antibody

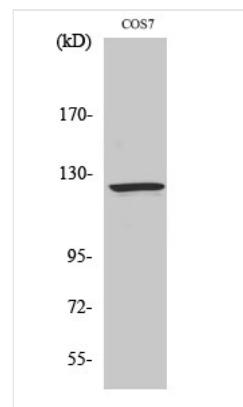

### PRODUCT SPECIFICATIONS

|                                                  |                                                                                                                                                       |
|--------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                                             | Rabbit                                                                                                                                                |
| Reactivity                                       | Human, Mouse, Rat, Monkey                                                                                                                             |
| Clonality                                        | Polyclonal                                                                                                                                            |
| Applicable Applications for anti-RANBP6 antibody | WB (Western Blot)                                                                                                                                     |
| Preparation and Storage                          | Maintain refrigerated at 2-8 degree C for up to 2 weeks. For long term storage store at -20 degree C in small aliquots to prevent freeze-thaw cycles. |

### IMAGES

**WB (Western Blot)**

Dilution: Western Blot: 1/500 - 1/2000. ELISA: 1/10000. Not yet tested in other applications.

**WB (Western Blot)**

Dilution: Western Blot: 1/500 - 1/2000. ELISA: 1/10000. Not yet tested in other applications.

### ADDITIONAL INFORMATION

|                                                      |                                                                       |
|------------------------------------------------------|-----------------------------------------------------------------------|
| Related Product Information for anti-RANBP6 antibody | May function in nuclear protein import as nuclear transport receptor. |
|------------------------------------------------------|-----------------------------------------------------------------------|

### NCBI AND UNIPROT INFORMATION

|                           |                |
|---------------------------|----------------|
| NCBI GI #                 | 342349354      |
| NCBI GeneID               | 26953          |
| NCBI Accession #          | NP_001230131.1 |
| NCBI GenBank Nucleotide # | NM_001243202.1 |

|                                  |                                                |
|----------------------------------|------------------------------------------------|
| UniProt Accession #              | O60518; Q5T7X4; Q7Z3V2; Q96E78                 |
| Molecular Weight                 | 124,714 Da                                     |
| NCBI Official Full Name          | ran-binding protein 6 isoform 2                |
| NCBI Official Synonym Full Names | RAN binding protein 6                          |
| NCBI Official Symbol             | RANBP6                                         |
| NCBI Protein Information         | ran-binding protein 6; Ran-GTP binding protein |
| UniProt Protein Name             | Ran-binding protein 6                          |
| UniProt Gene Name                | <b>RANBP6</b>                                  |
| UniProt Synonym Gene Names       | RanBP6                                         |
| UniProt Entry Name               | RNBP6_HUMAN                                    |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
