### PRODUCT SYNONYMS

GPR87/95; Polyclonal Antibody; GPR87/95 Polyclonal Antibody; GPR87; GPR95; FKSG78; G-protein coupled receptor 87; G-protein coupled receptor 95; anti-GPR87/95 antibody

### PRODUCT SPECIFICATIONS

|                                                    |                                                                                                                                                       |
|----------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                                               | Rabbit                                                                                                                                                |
| Reactivity                                         | Human                                                                                                                                                 |
| Clonality                                          | Polyclonal                                                                                                                                            |
| Applicable Applications for anti-GPR87/95 antibody | IHC (Immunohistochemistry), WB (Western Blot)                                                                                                         |
| Preparation and Storage                            | Maintain refrigerated at 2-8 degree C for up to 2 weeks. For long term storage store at -20 degree C in small aliquots to prevent freeze-thaw cycles. |

### IMAGES

IHC (Immunohistochemistry)

Dilution: Western Blot: 1/500 - 1/2000. IHC-p: 1/100-1/300. ELISA: 1/20000. Not yet tested in other applications.

WB (Western Blot)

Dilution: Western Blot: 1/500 - 1/2000. IHC-p: 1/100-1/300. ELISA: 1/20000. Not yet tested in other applications.

### ADDITIONAL INFORMATION

|                                                        |                                                                                                                |
