### PRODUCT SYNONYMS

IL-17RB; Polyclonal Antibody; IL-17RB Polyclonal Antibody; Interleukin-17 receptor B (IL-17 receptor B)(IL-17RB)(Cytokine receptor-like 4)(IL-17 receptor homolog 1)(IL-17Rh1)(IL17Rh1)(Interleukin-17B receptor)(IL-17B receptor); anti-IL-17RB antibody

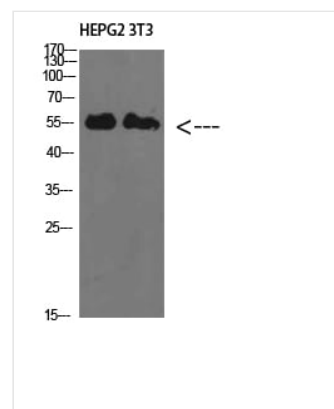

### PRODUCT SPECIFICATIONS

|                                                   |                                                                                                                                                       |
|---------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                                              | Rabbit                                                                                                                                                |
| Reactivity                                        | Human                                                                                                                                                 |
| Clonality                                         | Polyclonal                                                                                                                                            |
| Applicable Applications for anti-IL-17RB antibody | WB (Western Blot)                                                                                                                                     |
| Preparation and Storage                           | Maintain refrigerated at 2-8 degree C for up to 2 weeks. For long term storage store at -20 degree C in small aliquots to prevent freeze-thaw cycles. |
