

## Rabbit anti-Human IFI44 Antibody | anti-IFI44 antibody

IFI44 Antibody

| CATALOG # | HOST   | REACTIVITY | APPLICATIONS                       |
|-----------|--------|------------|------------------------------------|
| AAA300913 | Rabbit | Human      | Immunohistochemistry, Western Blot |

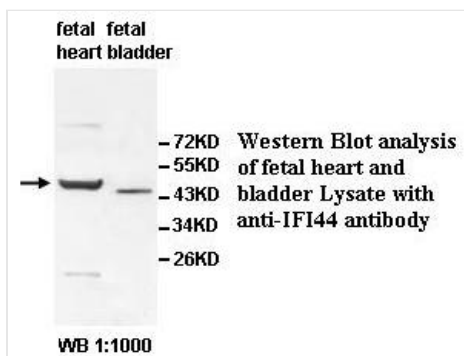

### PRODUCT SYNONYMS

IFI44; IFI44 Antibody; anti-IFI44 antibody

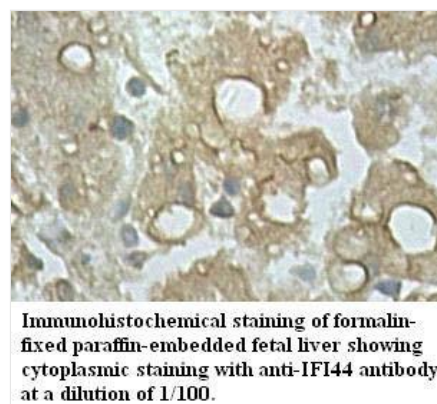

### PRODUCT SPECIFICATIONS

|                                                 |                                                                                                                                                                                                                                                                                            |
|-------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                                            | Rabbit                                                                                                                                                                                                                                                                                     |
| Reactivity                                      | Human                                                                                                                                                                                                                                                                                      |
| Purity/Purification                             | Affinity purified                                                                                                                                                                                                                                                                          |
| Form/Format                                     | PBS, pH 7.4 with 0.02% Sodium Azide                                                                                                                                                                                                                                                        |
| Concentration                                   | 1.0 mg/ml (varies by lot)                                                                                                                                                                                                                                                                  |
| Sequence Length                                 | 444                                                                                                                                                                                                                                                                                        |
| Applicable Applications for anti-IFI44 antibody | IHC (Immunohistochemistry), WB (Western Blot)                                                                                                                                                                                                                                              |
| Immunogen Type                                  | Recombinant Protein                                                                                                                                                                                                                                                                        |
| Immunogen Description                           | Raised against a recombinant human IFI44 protein 182-435aa (BC022870).                                                                                                                                                                                                                     |
| Target Name                                     | IFI44                                                                                                                                                                                                                                                                                      |
| Preparation and Storage                         | This product is stable for several weeks at 4 degree C as an undiluted liquid. Dilute only prior to immediate use. For extended storage, aliquot contents and freeze at -20 degree C or below. Avoid cycles of freezing and thawing. Expiration date is one (1) year from date of receipt. |
