

## Rabbit anti-Human SRPX Polyclonal Antibody | anti-SRPX antibody

SRPX antibody

|                               |                       |                            |                                                         |
|-------------------------------|-----------------------|----------------------------|---------------------------------------------------------|
| CATALOG #<br><b>AAA302261</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human</b> | APPLICATIONS<br><b>Immunofluorescence, Western Blot</b> |
|-------------------------------|-----------------------|----------------------------|---------------------------------------------------------|

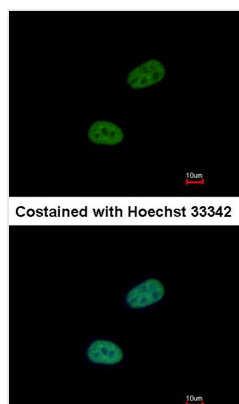

### PRODUCT SYNONYMS

SRPX; Polyclonal Antibody; SRPX antibody; anti-SRPX antibody

### PRODUCT SPECIFICATIONS

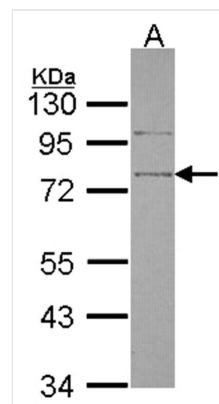

|                                                |                                                                                                                  |
|------------------------------------------------|------------------------------------------------------------------------------------------------------------------|
| Host                                           | Rabbit                                                                                                           |
| Reactivity                                     | Human                                                                                                            |
| Clonality                                      | Polyclonal                                                                                                       |
| Purity/Purification                            | Purified by antigen-affinity chromatography.                                                                     |
| Form/Format                                    | Supplied in 0.1M Tris-buffered saline with 20% Glycerol (pH7.0). 0.01% Thimerosal was added as a preservative.   |
| Sequence Length                                | 464                                                                                                              |
| Applicable Applications for anti-SRPX antibody | IF (Immunofluorescence), WB (Western Blot)                                                                       |
| Immunogen Type                                 | Recombinant protein                                                                                              |
| Immunogen Description                          | Recombinant protein fragment contain a sequence corresponding to a region within amino acids 231 and 434 of SRPX |
| Target Name                                    | SRPX                                                                                                             |
| Preparation and Storage                        | Store at -20 degree C for long term preservation (recommended). Store at 4 degree C for short term use.          |

### IMAGES

#### IF (Immunofluorescence)

Immunofluorescence analysis of paraformaldehyde-fixed HeLa, using SRPX antibody at 1:500 dilution.

#### Application Data

Sample (30 ug of whole cell lysate) A: HeLa 10% SDS PAGE Primary antibody diluted at 1:1000

ADDITIONAL INFORMATION

|                                                    |                                                                                                                                        |
|----------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Related Product Information for anti-SRPX antibody | May be involved in phagocytosis during disk shedding, cell adhesion to cells other than the pigment epithelium or signal transduction. |
| Product Categories/Family for anti-SRPX antibody   | Total protein Ab                                                                                                                       |

NCBI AND UNIPROT INFORMATION

|                                  |                                           |
