

## Rabbit anti-Human BZW2 Polyclonal Antibody | anti-BZW2 antibody

BZW2 antibody

|                               |                       |                            |                                                         |
|-------------------------------|-----------------------|----------------------------|---------------------------------------------------------|
| CATALOG #<br><b>AAA304817</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human</b> | APPLICATIONS<br><b>Immunofluorescence, Western Blot</b> |
|-------------------------------|-----------------------|----------------------------|---------------------------------------------------------|

### PRODUCT SYNONYMS

BZW2; Polyclonal Antibody; BZW2 antibody; anti-BZW2 antibody

### PRODUCT SPECIFICATIONS

|                                                |                                                                                                                |
|------------------------------------------------|----------------------------------------------------------------------------------------------------------------|
| Host                                           | Rabbit                                                                                                         |
| Reactivity                                     | Human                                                                                                          |
| Clonality                                      | Polyclonal                                                                                                     |
| Purity/Purification                            | Purified by antigen-affinity chromatography.                                                                   |
| Form/Format                                    | Supplied in 0.1M Tris-buffered saline with 10% Glycerol (pH7.0). 0.01% Thimerosal was added as a preservative. |
| Sequence Length                                | 419                                                                                                            |
| Applicable Applications for anti-BZW2 antibody | IF (Immunofluorescence), WB (Western Blot)                                                                     |
| Immunogen Type                                 | Recombinant protein                                                                                            |
| Immunogen Description                          | Recombinant protein fragment contain a sequence corresponding to a region within amino acids 1 and 208 of BZW2 |
| Target Name                                    | BZW2                                                                                                           |
| Preparation and Storage                        | Store at -20 degree C for long term preservation (recommended). Store at 4 degree C for short term use.        |

### IMAGES

#### IF (Immunofluorescence)

Immunofluorescence analysis of paraformaldehyde-fixed HeLa, using BZW2 antibody at 1:200 dilution.

#### Application Data

Sample(30 ug whole cell lysate)A: A431B: HeLa S3C: MOLT4 10% SDS PAGEPrimary antibody diluted at 1: 1000

### ADDITIONAL INFORMATION

### NCBI AND UNIPROT INFORMATION

|                  |           |
|------------------|-----------|
| NCBI GI #        | 7661744   |
| NCBI GeneID      | 28969     |
| NCBI Accession # | NP_054757 |

|                                  |                                                         |
|----------------------------------|---------------------------------------------------------|
| NCBI GenBank Nucleotide #        | <a href="#">NM_014038.2</a>                             |
| Molecular Weight                 | 22,819 Da                                               |
| NCBI Official Full Name          | basic leucine zipper and W2 domain-containing protein 2 |
| NCBI Official Synonym Full Names | basic leucine zipper and W2 domains 2                   |
| NCBI Official Symbol             | BZW2                                                    |
| NCBI Official Synonym Symbols    | MST017; HSPC028; MSTP017                                |
| NCBI Protein Information         | basic leucine zipper and W2 domain-containing protein 2 |
| UniProt Protein Name             | Basic leucine zipper and W2 domain-containing protein 2 |
| UniProt Gene Name                | <b>BZW2</b>                                             |
| UniProt Entry Name               | BZW2_HUMAN                                              |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
