### PRODUCT SYNONYMS

CDC26; Polyclonal Antibody; CDC26 antibody; anti-CDC26 antibody

### PRODUCT SPECIFICATIONS

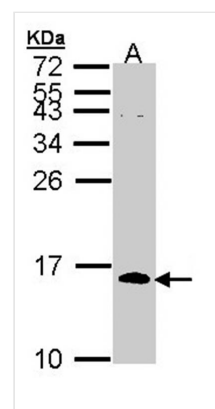

|                                                 |                                                                                                                |
|-------------------------------------------------|----------------------------------------------------------------------------------------------------------------|
| Host                                            | Rabbit                                                                                                         |
| Reactivity                                      | Human                                                                                                          |
| Clonality                                       | Polyclonal                                                                                                     |
| Purity/Purification                             | Purified by antigen-affinity chromatography.                                                                   |
| Form/Format                                     | Supplied in 0.1M Tris-buffered saline with 10% Glycerol (pH7.0). 0.01% Thimerosal was added as a preservative. |
| Sequence Length                                 | 85                                                                                                             |
| Applicable Applications for anti-CDC26 antibody | IF (Immunofluorescence), WB (Western Blot)                                                                     |
| Immunogen Type                                  | Recombinant protein                                                                                            |
| Immunogen Description                           | Recombinant protein fragment contain a sequence corresponding to a region within amino acids 1 and 55 of CDC26 |
| Target Name                                     | CDC26                                                                                                          |
| Preparation and Storage                         | Store at -20 degree C for long term preservation (recommended). Store at 4 degree C for short term use.        |

### IMAGES

#### IF (Immunofluorescence)

Immunofluorescence analysis of paraformaldehyde-fixed A431, using CDC26 antibody at 1:200 dilution.

#### Application Data

Sample (30 ug of whole cell lysate) A: H1299 15% SDS PAGE Primary antibody diluted at 1:1000

ADDITIONAL INFORMATION

|                                                     |                                                                                                                                                                                                                                                                                                                                                                                        |
|-----------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Related Product Information for anti-CDC26 antibody | The protein encoded by this gene is highly similar to Saccharomyces cerevisiae Cdc26, a component of cell cycle anaphase-promoting complex (APC). APC is composed of a group of highly conserved proteins and functions as a cell cycle-regulated ubiquitin-protein ligase. APC thus is responsible for the cell cycle regulated proteolysis of various proteins. [provided by RefSeq] |
| Product Categories/Family for anti-CDC26 antibody   | Total protein Ab                                                                                                                                                                                                                                                                                                                                                                       |
