### PRODUCT SYNONYMS

ADAMDEC1; Polyclonal Antibody; ADAMDEC1 Antibody; M12.219; anti-ADAMDEC1 antibody

### PRODUCT SPECIFICATIONS

|                                                    |                                                                                                       |
|----------------------------------------------------|-------------------------------------------------------------------------------------------------------|
| Host                                               | Rabbit                                                                                                |
| Reactivity                                         | Human                                                                                                 |
| Clonality                                          | Polyclonal                                                                                            |
| Specificity                                        | The antibody detects endogenous levels of total ADAMDEC1 protein.                                     |
| Purity/Purification                                | Antigen affinity purification.                                                                        |
| Form/Format                                        | Rabbit IgG in pH7.3 PBS, 0.05% NaN <sub>3</sub> , 50% Glycerol.                                       |
| Concentration                                      | 0.8 mg/ml (varies by lot)                                                                             |
| Sequence Length                                    | 391                                                                                                   |
| Applicable Applications for anti-ADAMDEC1 antibody | IHC (Immunohistochemistry)                                                                            |
| Immunogen Type                                     | Recombinant Protein                                                                                   |
| Immunogen Description                              | Fusion protein corresponding to a region derived from internal residues of human ADAM-like, decysin 1 |
| Target Name                                        | ADAMDEC1                                                                                              |
| Preparation and Storage                            | Store at -20 degree C                                                                                 |

**IHC (Immunohistochemistry)**

Immunohistochemical analysis of paraffin-embedded Human thyroid cancer tissue using at dilution 1/20.

**IHC (Immunohistochemistry)**

Immunohistochemical analysis of paraffin-embedded Human esophagus cancer tissue using at dilution 1/20.

ADDITIONAL INFORMATION

|                                                        |                                                                                                                                                                                                                                                                                                          |
|--------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Related Product Information for anti-ADAMDEC1 antibody | This encoded protein is thought to be a secreted protein belonging to the disintegrin metalloproteinase family. Its expression is upregulated during dendritic cells maturation. This protein may play an important role in dendritic cell function and their interactions with germinal center T cells. |
| Product Categories/Family for anti-ADAMDEC1 antibody   | Total protein Ab                                                                                                                                                                                                                                                                                         |
