

## Rabbit anti-Human DAPK3 Polyclonal Antibody | anti-DAPK3 antibody

DAPK3 Antibody

|                               |                       |                            |                                             |
|-------------------------------|-----------------------|----------------------------|---------------------------------------------|
| CATALOG #<br><b>AAA308854</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human</b> | APPLICATIONS<br><b>Immunohistochemistry</b> |
|-------------------------------|-----------------------|----------------------------|---------------------------------------------|

### PRODUCT SYNONYMS

DAPK3; Polyclonal Antibody; DAPK3 Antibody; DLK; ZIP; ZIPK; anti-DAPK3 antibody

### PRODUCT SPECIFICATIONS

|                                                 |                                                                 |
|-------------------------------------------------|-----------------------------------------------------------------|
| Host                                            | Rabbit                                                          |
| Reactivity                                      | Human                                                           |
| Clonality                                       | Polyclonal                                                      |
| Specificity                                     | The antibody detects endogenous levels of total DAPK3 protein.  |
| Purity/Purification                             | Antigen Affinity Purification                                   |
| Form/Format                                     | Rabbit IgG in pH7.4 PBS, 0.05% NaN <sub>3</sub> , 40% Glycerol. |
| Concentration                                   | 1.2 mg/ml (varies by lot)                                       |
| Sequence Length                                 | 454                                                             |
| Applicable Applications for anti-DAPK3 antibody | IHC (Immunohistochemistry)                                      |
| Immunogen                                       | Synthetic peptide of human DAPK3                                |
| Immunogen Type                                  | Peptide                                                         |
| Preparation and Storage                         | Store at -20 degree C                                           |

**IHC (Immunohistochemistry)**

Immunohistochemical analysis of paraffin-embedded Human esophagus cancer tissue using at dilution 1/30.

**IHC (Immunohistochemistry)**

Immunohistochemical analysis of paraffin-embedded Human gastric cancer tissue using at dilution 1/30.

### ADDITIONAL INFORMATION

|                                                            |                                                                                                                                                                                                             |
|------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Related Product Information for anti-DAPK3 antibody</b> | Death-associated protein kinase 3 (DAPK3) induces morphological changes in apoptosis when overexpressed in mammalian cells. These results suggest that DAPK3 may play a role in the induction of apoptosis. |

| NCBI Official Full Name          | death-associated protein kinase 3   |
| NCBI Official Synonym Full Names | death-associated protein kinase 3   |
| NCBI Official Symbol             | DAPK3                               |
| NCBI Official Synonym Symbols    | DLK; ZIP; ZIPK                      |
| NCBI Protein Information         | death-associated protein kinase 3   |
| UniProt Protein Name             | Death-associated protein kinase 3   |
| UniProt Gene Name                | <b>DAPK3</b>                        |
| UniProt Synonym Gene Names       | ZIPK; DAP kinase 3; Dlk; ZIP-kinase |
| UniProt Entry Name               | DAPK3_HUMAN                         |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
